

Allscripts adopts majority voting policy for directors

February 13, 2013

Announces 2013 Annual Meeting of Stockholders date Affirms expiration of Stockholder Rights Plan

CHICAGO, Feb. 13, 2013 /PRNewswire/ -- Allscripts (NASDAQ:MDRX) announced that the Board of Directors of Allscripts Healthcare Solutions, Inc., amended its Bylaws and revised its Corporate Governance Guidelines to adopt a majority voting policy.

Under the policy, any nominee for director who fails to receive a majority of the votes cast with respect to his or her nomination in an uncontested election must tender his or her resignation as director. Any such resignation will be considered by the Board's Nominating and Governance Committee in accordance with the requirements of the Company's Corporate Governance Guidelines, which are available at the Company's website, at www.allscripts.com.

In addition, the Company announced that its 2013 Annual Meeting of Stockholders would be held on Tuesday, May 21, 2013. Location details will be published in the notice of annual meeting to stockholders.

Finally, the Company indicated that the Board of Directors expects the Stockholder Rights Plan approved on May 7, 2012, to expire under its original terms on May 6, 2013, without being renewed.

Forward-Looking Statements

This press release contains forward-looking statements within the meaning of the federal securities laws. Statements regarding future events or developments, our future performance, as well as management's expectations, beliefs, intentions, plans, estimates or projections relating to the future are forward-looking statements with the meaning of these laws. These forward-looking statements are subject to a number of risks and uncertainties, some of which are outlined below. As a result, no assurances can be given that any of the events anticipated by the forward-looking statements will transpire or occur, or if any of them do so, what impact they will have on our results of operations or financial condition. Such risks, uncertainties and other factors include, among other things: the possibility that the expected synergies, efficiencies and cost savings of the merger with Eclipsys Corporation ("Eclipsys") will not be realized, or will not be realized within the expected time period; potential difficulties or delays in achieving platform and product integration and the connection and movement of data among hospitals, physicians, patients and others; the risk that the Allscripts and Eclipsys businesses will not be integrated successfully; competition within the industries in which we operate; failure to achieve certification under the Health Information Technology for Economic and Clinical Health Act could result in increased development costs, a breach of some customer obligations and could put us at a competitive disadvantage in the marketplace; the volume and timing of systems sales and installations, the length of sales cycles and the installation process and the possibility that our products will not achieve or sustain market acceptance; the timing, cost and success or failure of new product and service introductions, development and product upgrade releases; competitive pressures including product offerings, pricing and promotional activities; our ability to establish and maintain strategic relationships; undetected errors or similar problems in our software products; the outcome of any legal proceeding that has been or may be instituted against us; compliance with existing laws, regulations and industry initiatives and future changes in laws or regulations in the healthcare industry, including possible regulation of our software by the U.S. Food and Drug Administration; the possibility of product-related liabilities; our ability to attract and retain qualified personnel; the implementation and speed of acceptance of the electronic record provisions of the American Recovery and Reinvestment Act of 2009; maintaining our intellectual property rights and litigation involving intellectual property rights; risks related to third-party suppliers and our ability to obtain, use or successfully integrate third-party licensed technology; and breach of our security by third parties. See our Annual Report on Form 10-K for 2011 and other public filings with the SEC for a further discussion of these and other risks and uncertainties applicable to our business. The statements herein speak only as of their date and we undertake no duty to update any forward-looking statement whether as a result of new information, future events or changes in expectations.
