Allscripts at HIMSS15: The Power of All

April 7, 2015

Learn how Allscripts drives interoperability and patient engagement with Open™ solutions that foster healthier populations

CHICAGO – April 7, 2015 – Visit [Allscripts](#) at HIMSS **booth #3521** to learn how the "Power of All" enables smarter health care by powering precision care, building healthy populations and inspiring innovation throughout an Open, connected community.

Allscripts gives healthcare organizations the power to:

- Decide: make better decisions with an Open, integrated electronic health record that thrives on interoperability.
- Interact: foster relationships between patients and physicians to increase patient engagement and personal accountability.
- Change: drive improvements in population health, disease state management, precision care transitions, and referral patterns.
- Predict: Use analytics to improve clinical, financial and operational outcomes.

Meet Allscripts clients at the Allscripts booth (#3521) and hear how they are using these Allscripts solutions:

- Allscripts Sunrise™
    - Named BEST in KLAS Global EMR (Non-US) and Category Leader Global EMR (North American) by KLAS Research, as well as 2015 Top Inpatient Electronic Health Records Vendor (Inpatient Hospitals over 251 beds) by Black Book Rankings
- Allscripts TouchWorks® EHR
- Allscripts Professional EHR™
