Allscripts PM solution goes live at one of the world's leading orthopedic institutes

CHICAGO, Nov. 05, 2018 (GLOBE NEWSWIRE) -- Allscripts (NASDAQ:MDRX) partnered with Rothman Orthopaedic Institute to deliver Allscripts® Practice Management across the state of Pennsylvania. Rothman Institute selected Allscripts Practice Management as its core financial platform, replacing its legacy system. Allscripts PM is helping Rothman Institute manage scheduling, collections, claims and denials while maximizing the organization's revenue.

Rothman Orthopaedic Institute, with locations in Pennsylvania, New Jersey and New York, is a global leader in Orthopedic science and technology. Rothman Orthopaedic Institute's sports medicine team evaluates more than 80,000 sports injuries and performs more than 10,000 surgeries each year. Additionally, Rothman's clinical staff serves as team physicians for the Philadelphia Eagles, Philadelphia Flyers, Philadelphia 76ers and more than 40 local high schools and colleges.

Allscripts PM is a comprehensive revenue cycle management solution for physician practices and large hospital organizations. The solution helps physicians and hospitals address many of the challenges they face today, such as shifting from fee-for-service to value-based care, consolidation, meeting complex regulations and maximizing reimbursement. Allscripts PM's open architecture enables the secured sharing of patient information across multiple platforms and streamlines accounts receivable.

"The Allscripts Practice Management solution is helping us improve our financial and operational performance," said Rothman Orthopaedic's Chief Information Officer, Lancer Seaman. "Our staff felt prepared, well trained and confident at go-live, and the Allscripts onsite team did a great job of helping us through the transition week for a smooth, successful go-live."

"We are proud of the Rothman Institute and Allscripts teams for their collaborative effort and focus in driving the successful transition to this new practice management solution," said Allscripts Vice President and General Manager of Practice Management, Tina Joros. "Allscripts Practice Management solution provides the tools the institute needs to enhance its revenue cycle operations and increase efficiencies of reimbursement processes and patient payments."
