

Allscripts Sunrise™ Wins Best in KLAS Award

February 6, 2020

Acute solution named 2020 Best in KLAS - Global Acute Care EMR (Canada)

RICHMOND, British Columbia--(BUSINESS WIRE)--Feb. 6, 2020-- KLAS Research named Allscripts (NASDAQ: MDRX) Sunrise™ as 2020 Best in KLAS - Global Acute Care EMR (Canada). Allscripts Sunrise Acute Care is a clinical solution that provides advanced decision support, such as Computerized Physician Order Entry (CPOE), to help hospital teams improve patient care. According to the [2020 Best in KLAS - Global Acute Care EMR \(Canada\) report](#), the solution outpaced competitors in delivering new technology and earning customer loyalty.

"Providers and payers demand better performance, usability, and interoperability from their vendor partners every year," says Adam Gale, President of KLAS. "Best in KLAS winners set the standard of excellence in their market segment. Earning a Best in KLAS award should both excite and humble the recipients. It serves as a signal to providers that they can expect the best from the winning vendors."

KLAS Research independently monitors healthcare technology performance through the active participation of users. Healthcare professionals evaluate the software they use, and KLAS Research analyzes and publishes the results in its annual Best in KLAS: Global Software (Non-US) report.

"This Best in KLAS award demonstrates Allscripts Sunrise comprehensive and flexible features that our clients require when facing today's challenges in delivering complex care models," said President of Allscripts Global, Alan Fowles. "Allscripts continues to focus on delivering industry leading, highly coordinated service to our clients globally and is proud that Sunrise is helping hospitals and health systems around the globe improve the clinician experience and provide quality patient care."

Used by healthcare organizations across the globe, Allscripts Sunrise is an integrated electronic patient record that connects all aspects of care, including acute, ambulatory, surgical, radiology and personalized medicine. Built to enable efficient and safe care, Sunrise is a clinician-friendly, evidence-based single platform with advanced analytics that helps deliver true personalized medicine. Sunrise supports all core care venues across the enterprise by delivering a single patient record, and features patient-centric capabilities that can increase access and convenience for the consumer.

Allscripts celebrates this award with our Canadian clients who continue to deliver exceptional care every day.
