

Veradigm FollowMyHealth Named Most Improved Software Product by KLAS

February 9, 2023

Veradigm FollowMyHealth customer satisfaction has improved more than any other software solution over the past year, strengthening patient care and experience

CHICAGO--(BUSINESS WIRE)--Feb. 9, 2023-- Veradigm Inc. (NASDAQ: MDRX), announced today that Veradigm FollowMyHealth (formerly FollowMyHealth), a leading mobile-first patient engagement platform, was [recently recognized by KLAS](#), a prominent healthcare solution evaluator, as Most Improved Software Product in its 2023 Best in KLAS report.

With a mobile-first approach, Veradigm FollowMyHealth helps meet patients on their terms and delivers patient accessibility with an integrated approach to patient engagement. A complete patient care experience promotes a collaborative environment with ease of access and convenience. Veradigm FollowMyHealth offers a real-time gateway across demographic groups, while producing an immediate, proven value for independent practices and health systems. With growing healthcare utilization, Veradigm FollowMyHealth brings timing and technology together, helping improve both the patient and healthcare provider's experiences.

"As a patient engagement leader for over ten years, Veradigm FollowMyHealth is constantly working to improve our solutions and delight both our clients and the patients that depend on us," said Kim Franks, Veradigm's Vice President and General Manager of Consumer. "This recognition by KLAS represents and rewards the focus and hard work our teams put into modernizing and improving our platform. We are proud to be able to provide options to tailor the patient experience in ways that can direct address the needs of our clients in the ever-changing landscape of healthcare."
