Black Book Ranks Veradigm Payer Analytics the #1 Overall Payer Analytics Solution Vendor in 2025

April 9, 2025

Veradigm receives top overall ranking for second year in a row

CHICAGO--(BUSINESS WIRE)--Apr. 9, 2025-- Veradigm® (OTCMKTS: MDRX), a leading provider of healthcare data and technology solutions, announced today that Black Book Research, a healthcare-centric market research and public opinion research and consulting company, rated Veradigm Payer Analytics the overall number one provider of payer analytics solutions for health plans. Veradigm has achieved this ranking for the second year in a row, also earning top marks in 2024.

Veradigm Payer Analytics earned top category rankings in nine of 18 performance categories and achieved above the mean scores for the remaining nine performance categories. Veradigm earned top category rankings for Data Integration Efficiency, Data Standardization Quality, Scalability and Flexibility, Benchmarking and Comparative Analytics, User Interface Intuitiveness, Customer Support Responsiveness, System Reliability and Uptime, Audit Trail Transparency, and Adaptability to Regulatory Changes.

Black Book Research is an independent, third-party, and the results featured in this report are based upon input from over 1,300 users from more than 400 payer and managed care support organizations.

Designed to provide actionable insights that help health plans improve outcomes and control costs, Veradigm Payer Analytics gives a 360-view of healthcare data to navigate effective intervention initiatives and support accurate reimbursement while reducing wasted effort. These solutions can address the needs of functional areas ranging from risk adjustment and quality, to finance, network management and others.

Veradigm Payer Analytics is a key component to Veradigm's end-to-end, Comprehensive Outcomes and Realization (CORE) solution strategy. Veradigm CORE delivers proactive, clinically driven services to help health plans and their network providers close care gaps without adding additional burden on overtaxed clinicians and office staff. This innovative approach to gap closure delivers added benefit for all stakeholders by enabling improved outcomes at lower cost.

"This recognition reflects the power of the Veradigm Network to connect data, technology, and insights in ways that help health plans solve real-world challenges and meet their goals," said Jay Bhattacharyya, Senior Vice President & General Manager of Veradigm. "By delivering scalable and intuitive analytic solutions, we're enabling payers to drive measurable impact across quality, cost, and health outcome metrics.
