Item 1.01. Entry into a Material Definitive Agreement.

As previously announced, on June 9, 2010, Allscripts-Misys Healthcare Solutions, Inc., a Delaware corporation (“Allscripts”), entered into (i) a Framework Agreement (the “Framework Agreement”) with Misys plc, a public limited company formed under the laws of England and Wales (“Misys”), and Eclipsys Corporation, a Delaware corporation (“Eclipsys”), solely as a third party beneficiary of certain provisions of the Framework Agreement, and (ii) an Agreement and Plan of Merger (the “Merger Agreement”) with Eclipsys and Arsenal Merger Corp., a Delaware corporation and a wholly owned subsidiary of Allscripts (“Merger Sub”), pursuant to which Merger Sub would merge with and into Eclipsys, with Eclipsys surviving as a wholly owned subsidiary of Allscripts (the “Merger”).

On July 26, 2010, Allscripts, Misys and Eclipsys entered into an amendment to the Framework Agreement (the “Amendment”). Prior to the Amendment, the obligation of Allscripts and Misys to complete the transactions contemplated by the Framework Agreement was conditioned upon the sale by Misys, directly or through one or more of its subsidiaries, of no fewer than 36 million shares of Allscripts common stock, par value \$0.01 per share, in an underwritten secondary public offering (the “Secondary Offering”). As a result of the Amendment, the minimum number of shares required to be sold by Misys in the Secondary Offering will be reduced from 36 million to 25 million if (i) Allscripts stockholders approve the issuance of Allscripts common stock to Eclipsys stockholders pursuant to the Merger Agreement and (ii) Eclipsys stockholders adopt the Merger Agreement. The Amendment also makes certain conforming changes to the form of Amended and Restated Relationship Agreement attached as an exhibit to the Framework Agreement to reflect the possibility that Misys may sell fewer shares than previously contemplated in the Secondary Offering.

If Misys were to sell 25 million shares in the Secondary Offering, Misys’ equity stake in Allscripts following the Merger would be expected to be approximately 13.5%, assuming Misys elects to exercise its right under the Framework Agreement to require Allscripts to repurchase approximately 5.3 million shares of Allscripts common stock from Misys or one or more of its subsidiaries after the closing of the Merger.

The foregoing summaries of the Framework Agreement and the Amendment are qualified in their entirety by the terms and conditions of the Framework Agreement and the Amendment, each of which is incorporated herein by reference. The Framework Agreement was previously filed as Exhibit 10.1 to Allscripts’ Current Report on Form 8-K filed on June 9, 2010, and the Amendment is filed as Exhibit 10.1 to this report.

Item 8.01. Other Events.

On July 27, 2010, Allscripts and Eclipsys issued a joint press release regarding the Amendment, which included an announcement, among other things, that the 30-day waiting period under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended, applicable to the Merger expired at 11:59 p.m. ET on July 26, 2010. A copy of the joint press release is furnished as Exhibit 99.1 to this report and is incorporated herein by reference.

**ALLSCRIPTS AMENDS FRAMEWORK AGREEMENT WITH MISYS TO
REDUCE THE SIZE OF PLANNED SECONDARY OFFERING**

Hart-Scott-Rodino Waiting Period Expires

CHICAGO—July 27, 2010—Allscripts (NASDAQ: MDRX), the leading provider of clinical software, information and connectivity solutions for physicians, and Eclipsys (NASDAQ: ECLP), a leading enterprise provider of solutions and services for hospitals and clinicians, today announced that Allscripts has amended its June 9, 2010 Framework Agreement with Misys plc (LSE: MSY) (Misys) to reduce the minimum size of the secondary offering of Allscripts shares from 36 million shares to 25 million shares.

The reduction in the size of the secondary offering is contingent on approval by Allscripts and Eclipsys stockholders of the merger proposals being submitted to the shareholders of each company at meetings scheduled for August 13, 2010. All other financial terms of the June 9, 2010 Framework Agreement remain unchanged.

Glen Tullman, Chief Executive Officer of Allscripts, said “We believe the amendment provides greater certainty in advance of closing the proposed merger with Eclipsys. The combination of Allscripts and Eclipsys represents an opportunity to deliver value to shareholders, and we continue to believe that the combined company will be uniquely positioned in the healthcare information technology space.”

In a separate announcement, Misys today announced that it has been informed by ValueAct Capital, its 25.7% shareholder, that ValueAct intends to participate as a purchaser in the placing of Allscripts shares. Specifically, ValueAct has informed Misys in writing that it intends to submit an order to the book runners for 5 million Allscripts shares at a price of \$16.50. At prices above \$16.50, ValueAct may adjust the number of shares it purchases.

Tullman commented, “We are pleased that ValueAct Capital has indicated its intention to participate in the secondary offering and believe that this action underscores the strategic merit and compelling value of the proposed combination for our investors.”

Allscripts and Eclipsys are also confirming that the waiting period under the Hart-Scott-Rodino Antitrust Improvements Act of 1976 for the merger expired at 11:59 pm Eastern time on July 26, 2010.
