ABOUT THIS PROSPECTUS

This prospectus is part of an automatic shelf registration statement that we filed with the Securities and Exchange Commission, which we refer to as the “SEC,” as a “well-known seasoned issuer” as defined in Rule 405 under the Securities Act of 1933, as amended, which we refer to as the “Securities Act.” Under the automatic shelf registration process, (i) we may, over time, offer any combination of the debt securities, common stock, preferred stock, warrants, share purchase contracts and share purchase units described in this prospectus in one or more offerings and (ii) the selling securityholders to be named in a prospectus supplement may offer, from time to time, an indeterminate number of our securities. In this prospectus we will refer to the debt securities, common stock, preferred stock, warrants, share purchase contracts and share purchase units collectively as the “securities.” As used in this prospectus, unless stated otherwise or the context requires otherwise, “Allscripts,” “the Company,” “we,” “us” and “our” refer to Allscripts-Misys Healthcare Solutions, Inc. and its subsidiaries. This prospectus provides you with a general description of the securities we or the selling securityholders may offer. Each time we, or the selling securityholders, as the case may be, offer securities, we or the selling securityholders will provide you with a prospectus supplement or other offering materials that will contain specific information about the terms of that offering. The prospectus supplement may also add, update or change the information in this prospectus. Please carefully read this prospectus and the applicable prospectus supplement, together with the documents incorporated and deemed to be incorporated by reference in this prospectus and the additional information described below under the heading “Where You Can Find More Information.”

As allowed by SEC rules, this prospectus does not contain all the information you can find in the registration statement or the exhibits to the registration statement. For further information, we refer you to the registration statement, including its exhibits and schedules. Statements contained in this prospectus about the provisions or contents of any contract, agreement or any other document referred to are not necessarily complete. For each of these contracts, agreements or documents filed as an exhibit to the registration statement, we refer you to the actual exhibit for a more complete description of the matters involved. You should rely only on the information incorporated or deemed to be incorporated by reference or provided in this prospectus and the applicable prospectus supplement. We have not authorized anyone else to provide you with different information. If anyone provides you with different or inconsistent information, you should not rely on it. You should not assume that the information in this prospectus or any applicable prospectus supplement is accurate as of any date other than the date on the cover of the applicable document. Our business, financial condition and results of operations may have changed since that date. This prospectus does not constitute an offer to sell or a solicitation of an offer to buy by anyone in any jurisdiction in which such offer or solicitation is not authorized, or in which the person is not qualified to do so or to any person to whom it is unlawful to make such offer or solicitation.

The applicable prospectus supplement and/or other offering materials will describe the specific terms of the debt securities offered through that prospectus supplement as well as any general terms described in this section that will not apply to those debt securities. The indenture and the debt securities will be governed by, and construed in accordance with, the laws of the State of New York.

DESCRIPTION OF CAPITAL STOCK

The following summary of the terms of the capital stock of Allscripts is not meant to be complete and is qualified by reference to Allscripts' certificate of incorporation, which is incorporated herein by reference, and to all applicable provisions of the Delaware General Corporation Law (the "DGCL"). See "Where You Can Find More Information."

Authorized Capital Stock

Allscripts' current authorized capital stock consists of 199,000,000 shares of common stock, \$0.01 par value per share and 1,000,000 shares of preferred stock, \$0.01 par value per share. As of the close of business on June 7, 2010, there were 146,517,252 shares of Allscripts common stock issued and outstanding and no shares of Allscripts preferred stock issued and outstanding.

Allscripts Common Stock

Voting and Other Rights. Holders of Allscripts common stock are entitled to one vote for each share held of record on all matters submitted to a vote of stockholders, including the election of directors, and do not have cumulative voting rights. Generally, matters to be decided by the stockholders will be decided by the vote of holders of a majority of the shares of Allscripts common stock entitled to vote on the subject matter and represented in person or by proxy at a meeting at which a quorum is present except for certain extraordinary corporate actions that, under Delaware law, require a majority of the outstanding shares entitled to vote thereon, such as approval of certain mergers, asset sales and dissolutions. The rights, preferences and privileges of holders of common stock are subject to, and may be adversely affected by, the rights of holders of shares of any series of preferred stock that Allscripts may designate and issue at any time in the future.

[Table of Contents](#)

Dividend Rights; Rights Upon Liquidation. Holders of Allscripts common stock are entitled to receive dividends ratably, if any, as may be declared by the board of directors out of legally available funds. Upon Allscripts' liquidation, dissolution or winding-up, holders of Allscripts common stock are entitled to share ratably in all assets remaining after payment of Allscripts' debts and other liabilities.

Pre-emptive Rights. Holders of Allscripts common stock currently have no pre-emptive, subscription or conversion rights, except for certain pre-emptive rights Allscripts granted to Misys plc ("Misys") under the Relationship Agreement dated March 17, 2008 (as amended, the "Relationship Agreement"). The Relationship Agreement provides Misys with anti-dilution protection in the event of issuances of Allscripts common stock, subject to certain limited exceptions, such as grants under Allscripts' benefit plans under 1.95 percent of the fully-diluted number of shares of Allscripts' common stock.

Allscripts Preferred Stock

The Allscripts board of directors is authorized, without further stockholder approval but subject to any limitations prescribed by law, to establish from time to time one or more classes or series of preferred stock covering up to an aggregate of 1,000,000 shares of preferred stock, and to issue these shares of preferred stock in one or more series. Each class or series of Allscripts preferred stock will cover the number of shares and will have the preferences, voting powers, qualifications and special or relative rights or privileges as are determined by the board of directors, which may include, among others, dividend rights, liquidation preferences, voting rights, conversion rights and redemption rights.

The Allscripts board of directors may authorize the issuance of preferred stock with voting or conversion rights that could dilute the voting power or other rights of the holders of Allscripts common stock. The issuance of preferred stock could also delay, defer or prevent a change of control of Allscripts or otherwise negatively affect the market price of Allscripts common stock. Allscripts has no present plans to issue any shares of preferred stock.

Registration Rights Agreement

On June 9, 2010, Allscripts entered into a registration rights agreement with Misys which provides that, for so long as Misys holds at least 5% of the then outstanding number of shares of Allscripts common stock, Misys has the right to require Allscripts on not more than three occasions to file a registration statement under the Securities Act registering the sale of all or a portion of the shares of Allscripts common stock owned by Misys that are not otherwise freely tradable. Allscripts has the right to defer the filing of such registration statement if doing so would impede any material transaction involving Allscripts, adversely affect any financing contemplated by Allscripts or require disclosure of any material non-public information that, if disclosed at such time, would be harmful to the interests of Allscripts or its stockholders. For a period of three years after the date of the Registration Rights Agreement, Misys may participate in any registration statement proposed to be filed by Allscripts, subject to restrictions in the event that Misys' participation would adversely affect Allscripts' registration. Misys will be subject to a customary lock-up in connection with any equity offering by Allscripts unless the underwriters notify Misys that less than 80% of Misys' shares requested to be included in the offering can actually be included in such offering, and Misys decides not to participate in the offering.

Allscripts agreed to pay all reasonable expenses incurred in connection with a demand or other registration, other than expenses of counsel for Misys, any underwriting discounts or commissions, and also agreed to indemnify Misys from losses

incurred as a result of material misstatements or omissions in such registration statement.

Anti-Takeover Provisions

Allscripts' Second Amended and Restated Certificate of Incorporation contains an election not to be governed by Section 203 of the DGCL.

Section 203 of the DGCL generally prohibits certain "business combinations," including mergers, sales and leases of assets, issuances of securities and similar transactions by a corporation or a subsidiary with an interested stockholder who beneficially owns 15% or more of a corporation's voting stock, within three years after the person or entity becomes an interested stockholder, unless:

- the board of directors of the corporation has approved, before the acquisition time, either the business combination or the transaction that resulted in the person becoming an interested stockholder,
- upon consummation of the transaction that resulted in the person becoming an interested stockholder, the person owns at least 85% of the corporation's voting stock (excluding shares owned by directors who are officers and shares owned by employee stock plans in which participants do not have the right to determine confidentially whether shares will be tendered in a tender or exchange offer), or
- after the person or entity becomes an interested stockholder, the business combination is approved by the board of directors and authorized by the vote of at least two-thirds of the outstanding voting stock not owned by the interested stockholder.

These restrictions on interested stockholders do not apply under some circumstances, including if the corporation's original certificate of incorporation contains a provision expressly electing not to be governed by the Delaware statute regulating business combinations, or if the corporation, by action of its stockholders, adopts an amendment to its certificate of incorporation or by-laws expressly electing not to be governed by these provisions of the DGCL (and such amendment is duly approved by the stockholders entitled to vote thereon).

DESCRIPTION OF WARRANTS

We may issue warrants to purchase debt securities, shares of common stock or shares of preferred stock. We may issue warrants independently or together with other securities. Warrants sold with other securities may be attached to or separate from the other securities. We will issue warrants under one or more warrant agreements between us and a warrant agent that we will name in the prospectus supplement.

The prospectus supplement relating to any warrants we are offering will include specific terms relating to the offering. These terms will include some or all of the following:

- the title of the warrants;
- the aggregate number of warrants offered;
- the designation, number and terms of the debt securities, shares of common stock or shares of preferred stock purchasable upon exercise of the warrants and procedures by which those numbers may be adjusted;

[Table of Contents](#)

- the exercise price of the warrants;
- the dates or periods during which the warrants are exercisable;
- the designation and terms of any securities with which the warrants are issued;
- if the warrants are issued as a unit with another security, the date on and after which the warrants and the other security will be separately transferable;
- if the exercise price is not payable in U.S. dollars, the foreign currency, currency unit or composite currency in which the exercise price is denominated;
- any minimum or maximum amount of warrants that may be exercised at any one time;
- any terms relating to the modification of the warrants; and
- any terms, procedures and limitations relating to the transferability, exchange or exercise of the warrants.

DESCRIPTION OF STOCK PURCHASE CONTRACTS AND STOCK PURCHASE UNITS

We may issue stock purchase contracts, including contracts obligating holders to purchase from us, and us to sell to the holders, a specified number of shares of common stock at a future date or dates, which we refer to in this prospectus as “Stock Purchase Contracts.” The price per share of common stock and number of shares of common stock may be fixed at the time the Stock Purchase Contracts are issued or may be determined by reference to a specific formula set forth in the Stock Purchase Contracts. The Stock Purchase Contracts may be issued separately or as a part of units consisting of a Stock Purchase Contract and our debt securities or debt obligations of third parties, securing the holders’ obligations to purchase the shares of common stock under the Stock Purchase Contracts, which we refer to in this prospectus as “Stock Purchase Units.” The Stock Purchase Contracts may require holders to secure their obligations thereunder in a specified manner. The Stock Purchase Contracts also may require us to make periodic payments to the holders of the Stock Purchase Units or vice-versa and such payments may be unsecured or prefunded on some basis.

The applicable prospectus supplement will describe the terms of any Stock Purchase Contracts or Stock Purchase Units. The description in the prospectus supplement will not necessarily be complete, and reference will be made to the Stock Purchase Contracts, and, if applicable, collateral or depositary arrangements, relating to the Stock Purchase Contracts or Stock Purchase Units. Material United States federal income tax considerations applicable to the Stock Purchase Units and the Stock Purchase Contracts will also be discussed in the applicable prospectus supplement.

PLAN OF DISTRIBUTION

We or the selling securityholders may sell the securities covered by this prospectus in any of the following ways (or in any combination):

- through underwriters, dealers or remarketing firms;

[Table of Contents](#)

- directly to one or more purchasers, including to a limited number of institutional purchasers; or
- through agents.

Any such dealer or agent, in addition to any underwriter, may be deemed to be an underwriter within the meaning of the Securities Act. Any discounts or commissions received by an underwriter, dealer, remarketing firm or agent on the sale or resale of securities may be considered by the SEC to be underwriting discounts and commissions under the Securities Act.

In addition, we or the selling securityholders may enter into derivative transactions with third parties, or sell securities not covered by this prospectus to third parties in privately negotiated transactions. If the applicable prospectus supplement so indicates, in connection with such a transaction, the third parties may, pursuant to this prospectus and the applicable prospectus supplement, sell securities covered by this prospectus and the applicable prospectus supplement. If so, the third party may use securities borrowed from us or others to settle such sales and may use securities received from us to close any related short positions. We or the selling securityholders may also loan or pledge securities covered by this prospectus and the applicable prospectus supplement to third parties, who may sell the loaned securities or, in an event of default in the case of a pledge, sell the pledged securities covered by this prospectus and the applicable prospectus supplement.

The terms of the offering of the securities with respect to which this prospectus is being delivered will be set forth in the applicable prospectus supplement and will include, among other things:

- the type of and terms of the securities offered;
- the price of the securities;
- the proceeds to us from the sale of the securities;
- the names of the securities exchanges, if any, on which the securities are listed;
- information regarding the selling securityholders, if any;
- the names of any underwriters, dealers, remarketing firms or agents and the amount of securities underwritten or purchased by each of them;
- any over-allotment options under which underwriters may purchase additional securities from us;
- any underwriting discounts, agency fees or other compensation to underwriters or agents; and
- any discounts or concessions which may be allowed or reallocated or paid to dealers.

If underwriters are used in the sale of securities, such securities will be acquired by the underwriters for their own account and may be resold from time to time in one or more transactions, including negotiated transactions, at a fixed public offering price or at varying prices determined at the time of sale. The securities may be offered to the public either through underwriting syndicates represented by managing underwriters or directly by one or more underwriters acting alone. Unless otherwise set forth in the applicable prospectus supplement, the obligations of the underwriters to purchase the securities described in the applicable prospectus

[Table of Contents](#)

supplement will be subject to certain conditions precedent, and the underwriters will be obligated to purchase all such securities if any are purchased by them. Any public offering price and any discounts or concessions allowed or reallocated or paid to dealers may be changed from time to time.

If the dealers acting as principals are used in the sale of any securities, such securities will be acquired by the dealers, as principals, and may be resold from time to time in one or more transactions at varying prices to be determined by the dealer at the time of resale. The name of any dealer and the terms of the transactions will be set forth in the applicable prospectus supplement with respect to the securities being offered.

Securities may also be offered and sold, if so indicated in the applicable prospectus supplement in connection with a remarketing upon their purchase, in accordance with a redemption or repayment pursuant to their terms, or otherwise, by one or more firms, which we refer to herein as the "remarketing firms," acting as principals for their own accounts or as our agents, as applicable. Any remarketing firm will be identified and the terms of its agreement, if any, with us and its compensation will be described in the applicable prospectus supplement. Remarketing firms may be deemed to be underwriters, as that term is defined in the Securities Act in connection with the securities remarketed thereby.

The securities may be sold directly by us or the selling securityholders or through agents designated by us or the selling securityholders from time to time. In the case of securities sold directly by us or the selling securityholders, no underwriters or agents would be involved. Any agents involved in the offer or sale of the securities in respect of which this prospectus is being delivered, and any commissions payable by us or the selling securityholders to such agents, will be set forth in the applicable prospectus supplement. Unless otherwise indicated in the applicable prospectus supplement, any such agent will be acting on a best efforts basis for the period of its appointment.

We or the selling securityholders may authorize agents, underwriters or dealers to solicit offers by certain specified institutions to purchase the securities to which this prospectus and the applicable prospectus supplement relates from us or the selling securityholders at the public offering price set forth in the applicable prospectus supplement, plus, if applicable, accrued interest, pursuant to delayed delivery contracts providing for payment and delivery on a specified date in the future. Such contracts will be subject only to those conditions set forth in the applicable prospectus supplement, and the applicable prospectus supplement will set forth the commission payable for solicitation of such contracts.

Agents, dealers, underwriters and remarketing firms may be entitled, under agreements entered into with us to indemnification by us against certain civil liabilities, including liabilities under the Securities Act, or to contribution to payments they may be required to make in respect thereof. Agents, dealers, underwriters and remarketing firms may be customers of, engage in transactions with, or perform services for us or our subsidiaries in the ordinary course of business.

Unless otherwise indicated in the applicable prospectus supplement, all securities offered by this prospectus, other than our common stock that is listed on the Nasdaq, will be new issues with no established trading market. We may elect to list any of the securities on one or more exchanges, but unless otherwise specified in the applicable prospectus supplement, we shall not be obligated to do so. In addition, underwriters will not be obligated to make a market in any securities. No assurance can be given regarding the activity of trading in, or liquidity of, any securities.

Any underwriter may engage in over-allotment, stabilizing, transactions, short, covering transactions and penalty bids in accordance with Regulation M under the Exchange Act. Over-allotment involves sales in excess of the offering size, which create a short position. Stabilizing transactions permit bids to purchase the underlying securities so long as the stabilizing bids do not exceed a

[Table of Contents](#)

specified maximum. Short covering transactions involve purchases of the securities in the open market after the distribution is completed to cover short positions. Penalty bids permit the underwriters to reclaim a selling concession from a dealer when the securities originally sold by the dealer are purchased in a covering transaction to cover short positions. Those activities may cause the price of the securities to be higher than it would otherwise be. If commenced, the underwriters may discontinue any of the activities at any time. These transactions may be effected on the Nasdaq or otherwise.

LEGAL MATTERS

Unless otherwise specified in a prospectus supplement, legal matters in connection with this offering of securities will be passed upon for us by Sidley Austin LLP, Chicago, Illinois.

EXPERTS

The financial statements and management's assessment of the effectiveness of internal control over financial reporting (which is included in Management's Report on Internal Control over Financial Reporting) incorporated in this prospectus by reference to the Allscripts-Misys Healthcare Solutions, Inc. The audited historical financial statements of Eclipsys Corporation and management's assessment of the effectiveness of internal control over financial reporting incorporated in the Current Report on Form 8-K dated June 9, 2010 have been so incorporated in reliance on the report of PricewaterhouseCoopers LLP, an independent registered public accounting firm, given on the authority of said firm as experts in auditing and accounting.

PART II
INFORMATION NOT REQUIRED IN PROSPECTUS

Item 14. Other Expenses of Issuance and Distribution.

An estimate of the various expenses in connection with the sale and distribution of the securities being offered will be included in the applicable prospectus supplement.

Item 15. Indemnification of Directors and Officers.

The DGCL provides that a corporation may indemnify any person who is made a party to any third-party action, suit or proceeding on account of being a director, officer, employee or agent of the corporation (or was serving at the request of the corporation in such capacity for another corporation, partnership, joint venture, trust or other enterprise) against expenses, including attorneys' fees, judgments, fines and amounts paid in settlement actually and reasonably incurred by him or her in connection with the action, suit or proceeding through, among other things, a majority vote of a quorum consisting of directors who were not parties to the suit or proceeding or by a committee of such directors designated by majority vote of such directors, even though less than a quorum, if the person:

- acted in good faith and in a manner he or she reasonably believed to be in or not opposed to the best interests of the corporation, and
- in a criminal proceeding, had reasonable cause to believe his or her conduct was lawful.

The DGCL also permits indemnification by a corporation under similar circumstances for expenses (including attorneys' fees) actually and reasonably incurred by such persons in connection with the defense or settlement of a derivative action or suit, except that no indemnification may be made in respect of any claim, issue or matter as to which the person is adjudged to be liable to the corporation unless the Delaware Court of Chancery or the court in which the action or suit was brought determines upon application that the person is fairly and reasonably entitled to indemnity for the expenses which the court deems to be proper.

To the extent a director, officer, employee or agent is successful in the defense of such an action, suit or proceeding, the corporation is required by the DGCL to indemnify such person for reasonable expenses incurred thereby. Expenses (including attorneys' fees) incurred by such persons in defending any action, suit or proceeding may be paid in advance of the final disposition of such action, suit or proceeding upon receipt of an undertaking by or on behalf of that person to repay the amount if it is ultimately determined that that person is not entitled to be so indemnified.

Allscripts' Second Amended and Restated Certificate of Incorporation provides that Allscripts will indemnify its directors and officers to the fullest extent authorized by the DGCL, provided, however, that Allscripts will not be required to indemnify such persons in connection with an action, suit or proceeding initiated by such persons unless the initiation of such action, suit or proceeding was specifically authorized by the Allscripts board of directors. Allscripts' Second Amended and Restated Certificate of Incorporation also requires the advancement of expenses incurred in defending any action, suit or proceeding in advance of its final disposition so long as the director or officer delivers to Allscripts an undertaking to repay the advances if it is ultimately determined that the individual is not entitled to indemnification.

Allscripts' Second Amended and Restated Certificate of Incorporation also provides that Allscripts may indemnify its other employees and agents as set forth in the DGCL.

Item 17. Undertakings.

The undersigned Registrant hereby undertakes:

- (1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:
 - (i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;
 - (ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement; and
 - (iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

provided, however, that the undertakings set forth in paragraphs (i), (ii) and (iii) above do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) That, for the purpose of determining liability under the Securities Act of 1933 to any purchaser:

- (i) Each prospectus filed by the Registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and
- (ii) Each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5), or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii), or (x) for the purpose of providing the information required by Section 10(a) of the Securities Act of 1933 shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the

[Table of Contents](#)

offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which that prospectus relates, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof. *Provided, however*, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date.

(5) That, for the purpose of determining liability of the Registrant under the Securities Act of 1933 to any purchaser in the initial distribution of the securities, the undersigned Registrant undertakes that in a primary offering of securities of the undersigned Registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned Registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

- (i) any preliminary prospectus or prospectus of the undersigned Registrant relating to the offering required to be filed pursuant to Rule 424;
- (ii) any free writing prospectus relating to the offering prepared by or on behalf of the undersigned Registrant or used or referred to by the undersigned Registrant;
- (iii) the portion of any other free writing prospectus relating to the offering containing material information about the undersigned Registrant or its securities provided by or on behalf of the undersigned Registrant; and
- (iv) any other communication that is an offer in the offering made by the undersigned Registrant to the purchaser.

(6) That, for purposes of determining any liability under the Securities Act of 1933, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(7) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the Registrant pursuant to the provisions described under Item 15 above, or otherwise, the Registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act of 1933 and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act of 1933 and will be governed by the final adjudication of such issue.

[Table of Contents](#)

(8) The undersigned registrant hereby undertakes to file an application for the purpose of determining the eligibility of the trustee to act under subsection (a) of Section 310 of the Trust Indenture Act in accordance with the rules and regulations prescribed by the Commission under section 305(b)(2) of the Trust Indenture Act.

Registration Statement on Form S-3

Ladies and Gentlemen:

between the Company and the share purchase unit agent party thereto. Each Indenture, Certificate of Designation, Warrant Agreement, Share Purchase Contract Agreement and Share Purchase Unit Agreement, as applicable, will be in a form to be filed as an exhibit to a post-effective amendment to the Registration Statement or a document filed under the Securities Exchange Act of 1934, as amended, and incorporated as an exhibit to the Registration Statement by reference. We refer to the Indenture(s), any series of Debt Securities, any Warrant Agreement, any issue of Warrants, any Share Purchase Contract Agreement and any Share Purchase Unit Agreement collectively as the "Opinion Documents."

This opinion letter is being delivered in accordance with the requirements of Item 601(b)(5) of Regulation S-K under the Securities Act.

In rendering the opinions expressed below, we have examined and relied upon a copy of the Registration Statement and the exhibits filed therewith, the Second Amended and Restated Certificate of Incorporation of the Company (the "Certificate of Incorporation"), currently in effect, the Amended and Restated By-laws of the Company (the "By-laws") currently in effect, and the resolutions of the Board of Directors of the Company dated June 8, 2010 relating to the Registration Statement (the "Resolutions"). We have also examined originals, or copies of originals certified or otherwise identified to our satisfaction, of such records of the Company and of such agreements, documents, certificates, statements of governmental officials and instruments and have examined such questions of law and have satisfied ourselves as to such matters of fact as we have considered relevant and necessary as a basis for this opinion letter. We have assumed the authenticity of all documents submitted to us as originals, the genuineness of all signatures, the legal capacity of all natural persons and the conformity with the original documents of any copies thereof submitted to us for our examination.

Based on the foregoing, and subject to the qualifications and limitations set forth herein, we are of the opinion that:

1. The shares of Common Stock covered by the Registration Statement will be legally issued, fully paid and non-assessable when: (i) the Registration Statement, as finally amended (including any necessary post-effective amendments), shall have become effective under the Securities Act; (ii) a prospectus supplement with respect to the sale of such shares of Common Stock shall have been filed with the SEC in compliance with the Securities Act and the rules and regulations thereunder; (iii) the Board of Directors of the Company or a duly authorized committee thereof (the "Company Board") shall have duly adopted resolutions in conformity with the Certificate of Incorporation and the By-laws authorizing the issuance and sale of such shares of Common Stock; and (iv) certificates representing such shares of Common Stock shall have been duly executed, countersigned and registered and duly delivered to the purchasers thereof in accordance with the applicable definitive purchase, underwriting or similar agreement against payment of the agreed consideration therefor (which shall be in an amount at least equal to the par value of the shares being issued and sold).

2. Each series of Preferred Stock covered by the Registration Statement will be legally issued, fully paid and non-assessable when: (i) the Registration Statement, as finally amended (including any necessary post-effective amendments), shall have become effective under the Securities Act; (ii) a prospectus supplement with respect to the sale of such series of Preferred Stock shall have been filed with the SEC in compliance with the Securities Act and the rules and regulations thereunder; (iii) the Company Board shall have duly adopted resolutions in conformity with the Certificate of Incorporation and the By-laws establishing the designations, preferences, rights, qualifications, limitations or restrictions of such series of Preferred Stock and authorizing the issuance and sale of such series of Preferred Stock; (iv) the Company shall have filed with the Secretary of State of the State of Delaware a Certificate of Designations duly executed on behalf of the Company with respect to such series of Preferred Stock in conformity with the Certificate of Incorporation and such resolutions; and (v) certificates representing such series of Preferred Stock shall have been duly executed, countersigned and registered and duly delivered to the purchasers thereof in accordance with the applicable definitive purchase, underwriting or similar agreement against payment of the agreed consideration therefor (which shall be in an amount at least equal to the par value of the shares being issued and sold).

3. Each series of Debt Securities covered by the Registration Statement will constitute legally issued and binding obligations of the Company when: (i) the Company Board shall have duly adopted resolutions in conformity with the Certificate of Incorporation and the By-laws authorizing the form, terms, execution and delivery of the Indenture (including any necessary supplemental indenture) and the form, terms, execution, issuance and sale of such series of Debt Securities as contemplated by the Registration Statement and the Indenture (including any necessary supplemental indenture); (ii) the Indenture (including any necessary supplemental indenture) shall have been duly executed and delivered by the Company and duly authorized, executed and delivered by the Trustee; and (iii) such series of Debt Securities shall have been duly executed by the Company and authenticated by the Trustee as provided in the Indenture (including any necessary supplemental indenture) and such resolutions and shall have been duly delivered to the purchasers thereof against payment of the agreed consideration therefor.

4. Each issue of Warrants covered by the Registration Statement will constitute legally issued and binding obligations of the Company when: (i) the Company Board shall have duly adopted resolutions in conformity with the Certificate of Incorporation and the By-laws authorizing the execution and delivery of the Warrant Agreement and the execution, issuance and sale of such issue of Warrants as contemplated by such Warrant Agreement; (ii) a Warrant Agreement relating to such issue of Warrants shall have been duly authorized, executed and

delivered by the Company and duly executed and delivered by the warrant agent named in the Warrant; (iii) if such Warrants are exercisable for Common Stock, the actions described in paragraph 1 above shall have been taken; (iv) if such Warrants are exercisable for Preferred Stock, the actions described in paragraph 2 above shall have been taken; (iv) if such Warrants are exercisable for Debt Securities, the actions described in paragraph 3 above shall have been taken; and (v) certificates, if any, representing such issue of Warrants shall have been duly executed, countersigned and issued in accordance with such Warrant Agreement and such resolutions and shall have been duly delivered to the purchasers thereof against payment of the agreed consideration therefor.

5. The Share Purchase Contracts and/or the Share Purchase Units covered by the Registration Statement will be legally issued and binding obligations of the Company when: (i) the Company Board shall have duly adopted resolutions in conformity with the Certificate of Incorporation and the By-laws authorizing the execution and delivery of the Share Purchase Contract Agreement and/or Share Purchase Unit Agreement and the execution, delivery, issuance and sale of such Share Purchase Contracts and/or Share Purchase Units; (ii) the applicable Share Purchase Contract Agreement and/or Share Purchase Unit Agreement shall have been duly authorized, executed and delivered by the Company and the other parties thereto; (iii) if such Share Purchase Contracts and/or Share Purchase Units relate to the issuance and sale of Common Stock, the actions described in paragraph 1 above have been taken; (iv) if such Share Purchase Contracts and/or Share Purchase Units relate to the issuance and sale of Preferred Stock, the actions described in paragraph 2 above have been taken; (v) if such Share Purchase Contracts and/or Share Purchase Units relate to the issuance and sale of Debt Securities, the actions described in paragraph 3 above have been taken; and (vi) certificates, if any, representing such Share Purchase Contracts and/or Share Purchase Units shall have been duly executed, countersigned and registered in accordance with such Share Purchase Contract Agreement and/or such Share Purchase Unit Agreement and such resolutions and shall have been delivered to the purchasers thereof against payment of the agreed consideration therefor.

The opinions in paragraphs 3, 4 and 5 above are qualified to the extent that the enforcement of the Debt Securities, the Indenture, the Warrants and the related Warrant Agreement, the Share Purchase Contracts and the related Share Purchase Contract Agreement and the Share Purchase Units and the related Share Purchase Unit Agreement may be limited by bankruptcy, insolvency, reorganization, moratorium, fraudulent transfer or other laws relating to or affecting the enforcement of creditors' rights generally and by the effect of general principles of equity, regardless of whether enforceability is considered in a proceeding in equity or at law.

For the purposes of this opinion letter, we have assumed that, at the time of the issuance, sale and delivery of each share of Common Stock, each share of Preferred Stock, each series of Debt Securities, each issue of Warrants and each issue of Share Purchase Contracts and/or Share

Purchase Units, as the case may be: (i) any Securities being offered will be issued and sold as contemplated in the Registration Statement or a prospectus supplement relating thereto; (ii) the execution, delivery and performance by the Company of the applicable Opinion Documents and all actions necessary for the issuance of the Securities and the forms and terms thereof will be duly authorized by all necessary action (corporate or otherwise) and will not (a) contravene the Certificate of Incorporation or By-laws, (b) violate any law, rule or regulation applicable to the Company or (c) result in any conflict with or breach of any agreement or document binding on the Company; (iii) no authorization, approval or other action by, and no notice to or filing with, any governmental authority or regulatory body or any other third party is required for the due execution, delivery or performance by the Company of any of the applicable Opinion Documents or the issuance of the Securities, and if any such authorization, approval, consent, action, notice or filing is required, it has been or will be duly obtained, taken, given or made and is or will be in full force and effect; (iv) the authorization thereof by the Company will not have been modified or rescinded, and there will not have occurred any change in law affecting the validity, legally binding character or enforceability thereof; (v) in the case of the issue of the Debt Securities, the form of Indenture will not have been modified or amended; and (vi) in the case of the issue of Warrants, Share Purchase Contracts or Share Purchase Units, the terms and conditions of such Security, the underlying Security, if any, and any related Warrant Agreement, Share Purchase Contract Agreement and/or Share Purchase Unit Agreement will be as expressly contemplated in the prospectus supplement relating thereto. For purposes of this opinion letter, we have further assumed that each Opinion Document will be governed by and construed in accordance with the laws of the State of New York. With respect to each instrument or agreement executed or to be executed by any party other than the Company, we have assumed, to the extent relevant to the opinions set forth herein, that (i) such party (if not a natural person) was duly organized or formed and was at all relevant times and is validly existing and in good standing under the laws of its jurisdiction of organization or formation and (ii) such party had at all relevant times and has full right, power and authority to execute, deliver and perform its obligations under each instrument or agreement to which it is a party and each such instrument or agreement has been duly authorized (if applicable), executed and delivered by, and was at all relevant times and is a valid, binding and enforceable agreement or obligation, as the case may be, of such party.

This letter is limited to the laws of the State of New York and the General Corporation Law of the State of Delaware. We express no opinion as to matters relating to securities or blue sky laws of any jurisdiction or any rules or regulations thereunder.

We hereby consent to the filing of this letter as an Exhibit to the Registration Statement and the reference to our firm under the caption "Legal Matters" in the prospectus constituting a part of the Registration Statement. In giving such consent, we do not thereby admit that we are in the category of persons whose consent is required under Section 7 of the Securities Act or the rules or regulations promulgated thereunder.
