## SECOND AMENDED AND RESTATED 2011 STOCK INCENTIVE PLAN

(As Amended and Restated on April 12, 2017)

## I. INTRODUCTION

**1.1 Purposes.** The purposes of the Allscripts Healthcare Solutions, Inc. Amended and Restated 2011 Stock Incentive Plan (this “Plan”) are (i) to align the interests of the Company’s stockholders and the recipients of awards under this Plan by increasing the proprietary interest of such recipients in the Company’s growth and success, (ii) to advance the interests of the Company by attracting and retaining officers, other employees, directors and independent contractors and (iii) to motivate such persons to act in the long-term best interests of the Company and its stockholders.

**1.2 Certain Definitions.**

“**Agreement**” shall mean the written or electronic agreement evidencing an award hereunder between the Company and the recipient of such award.

“**Board**” shall mean the Board of Directors of the Company.

“**Code**” shall mean the Internal Revenue Code of 1986, as amended.

“**Committee**” shall mean the Committee designated by the Board or a subcommittee thereof, consisting of two or more members of the Board, each of whom may be (i) a “Non-Employee Director” within the meaning of Rule 16b-3 under the Exchange Act, (ii) an “outside director” within the meaning of Section 162(m) of the Code and (iii) “independent” within the meaning of the rules of the Nasdaq Global Select Market or any other stock exchange on which the Common Stock is then traded.

“**Common Stock**” shall mean the common stock, par value \$0.01 per share, of the Company, and all rights appurtenant thereto.

“**Company**” shall mean Allscripts Healthcare Solutions, Inc., a Delaware corporation, or any successor thereto.

“**Exchange Act**” shall mean the Securities Exchange Act of 1934, as amended.

“**Fair Market Value**” shall mean the closing transaction price of a share of Common Stock as reported on the Nasdaq Global Select Market on the date as of which such value is being determined or, if the Common Stock is not listed on the Nasdaq Global Select Market, the closing transaction price of a share of Common Stock on the principal national stock exchange on which the Common Stock is traded on the date as of which such value is being determined or, if there shall be no reported transactions for such date, on the next preceding date for which transactions were reported; provided, however, that if the Common Stock is not listed on a national stock exchange or if Fair Market Value for any date cannot be so determined, Fair Market Value shall be determined by the Committee in good faith and in accordance with Section 409A of the Code.

“**Free-Standing SAR**” shall mean an SAR which is not granted in tandem with, or by reference to, an option, which entitles the holder thereof to receive, upon exercise, shares of Common Stock (which may be Restricted Stock) or, in the discretion of the Committee, cash, with an aggregate value equal to the excess of the Fair Market Value of one share of Common Stock on the date of exercise over the base price of such SAR, multiplied by the number of such SARs which are exercised.

To the extent necessary for an award to be qualified performance-based compensation under Section 162(m) of the Code and the regulations thereunder, such criteria and objectives shall include one or more of the following corporate-wide or subsidiary, division, operating unit or individual measures: earnings, earnings per share; earnings before interest and taxes (“EBIT”); earnings before interest, taxes, depreciation and amortization (“EBITDA”); stock price; financial return ratios, consisting of return on equity, return on assets and return on invested capital; the ratio of EBIT to capital; the ratio of EBITDA to capital; net income; operating income; bookings; revenues; profit margin; cash flow(s); expense reduction; working capital ratios; achievement of balance sheet or income statement objectives; successful implementation of strategic initiatives; customer satisfaction measures; and successful integration of acquisitions. Each such Performance Measure may be expressed on an absolute or relative basis and may include comparisons based on current internal targets, the past performance of the Company (including the performance of one or more subsidiaries, divisions, or operating units) or the past or current performance of other companies (or a combination of such past and current performance). Performance Measures may be determined in accordance with generally accepted accounting principles (“GAAP”) or otherwise than in accordance with GAAP. In the case of earnings-based measures, in addition to the ratios specifically enumerated above, Performance Measures may include comparisons relating to capital (including, but not limited to, the cost of capital), stockholders’ equity, shares outstanding, assets or net assets, or any combination thereof. In the sole discretion of the Committee, but subject to Section 162(m) of the Code, the Committee may (i) amend or adjust the Performance Measures or other terms and conditions of an outstanding award in recognition of unusual, nonrecurring or one-time events affecting the Company or its financial statements or changes in law or accounting principles and (ii) reduce, but not increase, the payment of any award to any “covered employee,” within the meaning of Section 162(m) of the Code.

**“Performance Option”** shall mean an Incentive Stock Option or Nonqualified Stock Option, the grant of which or the exercisability of all or a portion of which is contingent upon the attainment of specified Performance Measures within a specified Performance Period.

**“Performance Period”** shall mean any period designated by the Committee during which (i) the Performance Measures applicable to an award shall be measured and (ii) the conditions to vesting applicable to an award shall remain in effect.

**“Performance Unit”** shall mean a right to receive, contingent upon the attainment of specified Performance Measures within a specified Performance Period, a specified cash amount or, in lieu thereof, shares of Common Stock having a Fair Market Value equal to such cash amount.

**“Performance Unit Award”** shall mean an award of Performance Units under this Plan.

**“Prior Plan”** shall mean the Allscripts Healthcare Solutions, Inc. 1993 Stock Incentive Plan, as amended, and each other plan previously maintained by the Company or Eclipsys Corporation under which equity awards remain outstanding as of the effective date of this Plan.

**“Restricted Stock Award”** shall mean an award of Restricted Stock under this Plan.

**“Restricted Stock Unit”** shall mean a right to receive one share of Common Stock or, in lieu thereof, the Fair Market Value of such share of Common Stock in cash, which shall be contingent upon the expiration of a specified Restriction Period and which may, in addition thereto, be contingent upon the attainment of specified Performance Measures within a specified Performance Period.

**“Restricted Stock Unit Award”** shall mean an award of Restricted Stock Units under this Plan.

**“Restriction Period”** shall mean any period designated by the Committee during which (i) the Common Stock subject to a Restricted Stock Award may not be sold, transferred, assigned, pledged, hypothecated or otherwise encumbered or disposed of, except as provided in this Plan or the Agreement relating to such award, or (ii) the conditions to vesting applicable to a Restricted Stock Unit Award shall remain in effect.

“**SAR**” shall mean a stock appreciation right which may be a Free-Standing SAR or a Tandem SAR.

“**Stock Award**” shall mean a Restricted Stock Award or a Restricted Stock Unit Award.

“**Subsidiary**” shall mean any corporation, limited liability company, partnership, joint venture or similar entity in which the Company owns, directly or indirectly, an equity interest possessing more than 50% of the combined voting power of the total outstanding equity interests of such entity.

“**Substitute Award**” shall mean an award granted under this Plan upon the assumption of, or in substitution for, outstanding equity awards previously granted by a company or other entity in connection with a corporate transaction, including a merger, combination, consolidation or acquisition of property or stock; provided, however, that in no event shall the term “Substitute Award” be construed to refer to an award made in connection with the cancellation and repricing of an option or SAR.

“**Tandem SAR**” shall mean an SAR which is granted in tandem with, or by reference to, an option (including a Nonqualified Stock Option granted prior to the date of grant of the SAR), which entitles the holder thereof to receive, upon exercise of such SAR and surrender or cancellation of all or a portion of such option, shares of Common Stock (which may be Restricted Stock) or, in the discretion of the Committee, cash, with an aggregate value equal to the excess of the Fair Market Value of one share of Common Stock on the date of exercise over the base price of such SAR, multiplied by the number of shares of Common Stock subject to such option, or portion thereof, which is surrendered.

“**Tax Date**” shall have the meaning set forth in Section 5.5.

“**Ten Percent Holder**” shall have the meaning set forth in Section 2.1(a).

**1.3 Administration.** This Plan shall be administered by the Committee. Any one or a combination of the following awards may be made under this Plan to eligible persons: (i) options to purchase shares of Common Stock in the form of Incentive Stock Options or Nonqualified Stock Options (which may include Performance Options), (ii) SARs in the form of Tandem SARs or Free-Standing SARs, (iii) Stock Awards in the form of Restricted Stock or Restricted Stock Units and (iv) Performance Units. The Committee shall, subject to the terms of this Plan, select eligible persons for participation in this Plan and determine the form, amount and timing of each award to such persons and, if applicable, the number of shares of Common Stock, the number of SARs, the number of Restricted Stock Units and the number of Performance Units subject to such an award, the exercise price or base price associated with the award, the time and conditions of exercise or settlement of the award and all other terms and conditions of the award, including, without limitation, the form of the Agreement evidencing the award. The Committee shall, subject to the terms of this Plan, interpret this Plan and the application thereof, establish rules and regulations it deems necessary or desirable for the administration of this Plan and may impose, incidental to the grant of an award, conditions with respect to the award, such as limiting competitive employment or other activities. All such interpretations, rules, regulations and conditions shall be conclusive and binding on all parties.

The Committee may delegate some or all of its power and authority hereunder to the Board or, subject to applicable law, to the Chief Executive Officer or other executive officer of the Company as the Committee deems appropriate; provided, however, that (i) the Committee may not delegate its power and authority to the Board or the Chief Executive Officer or other executive officer of the Company with regard to the grant of an award to any person who is a “covered employee” within the meaning of Section 162(m) of the Code or who, in the Committee’s judgment, is likely to be a covered employee at any time during the period an award hereunder to such employee would be outstanding and (ii) the Committee may not delegate its power and authority to the Chief Executive Officer or other executive officer of the Company with regard to the selection for participation in this Plan of an officer, director or other person subject to Section 16 of the Exchange Act or decisions concerning the timing, pricing or amount of an award to such an officer, director or other person.

No member of the Board or Committee, and neither the Chief Executive Officer nor any other executive officer to whom the Committee delegates any of its power and authority hereunder, shall be liable for any act, omission, interpretation, construction or determination made in connection with this Plan in good faith, and the members of the Board and the Committee and the Chief Executive Officer or other executive officer shall be entitled to indemnification and reimbursement by the Company in respect of any claim, loss, damage or expense (including attorneys’ fees) arising therefrom to the full extent permitted by law (except as otherwise may be provided in the Company’s Certificate of Incorporation and/or By-laws) and under any directors’ and officers’ liability insurance that may be in effect from time to time.

**1.4 Eligibility.** Participants in this Plan shall consist of such officers, other employees, Non-Employee Directors, independent contractors, and persons expected to become officers, other employees, Non-Employee Directors and independent contractors,

of the Company or any of its Subsidiaries as the Committee in its sole discretion may select from time to time. The Committee's selection of a person to participate in this Plan at any time shall not require the Committee to select such person to participate in this Plan at any other time. Except as otherwise provided in an Agreement, for purposes of this Plan, references to employment by the Company shall also mean employment by a Subsidiary, and references to employment shall include service as a Non-Employee Director or independent contractor. The Company may determine, in its sole discretion, whether a participant is deemed to be employed during a leave of absence.

**1.5 Shares Available.** Subject to adjustment as provided in Section 5.7 and to all other limits set forth in this Section 1.5, the number of shares of Common Stock that shall initially be available for all awards under this Plan shall be 24,000,000, reduced by the number of shares of Common Stock subject to awards granted under the Prior Plan on or after January 1, 2011. To the extent the Company grants an option or a Free-Standing SAR under the Plan, the number of shares of Common Stock that remain available for future grants under the Plan shall be reduced by a number equal to one-half (0.5) times the number of shares subject to such option or Free-Standing SAR. To the extent the Company grants a Stock Award or settles a Performance Unit Award in shares of Common Stock, the number of shares of Common Stock that remain available for future grants under the Plan shall be reduced by a number equal to one (1.0) times the number of shares subject to such Stock Award or Performance Unit award. If this Plan is approved by the stockholders of the Company, no further awards may be granted under the Prior Plan.

To the extent that shares of Common Stock subject to an outstanding option, SAR or stock award granted under this Plan or under the Prior Plan are not issued or delivered by reason of (i) the expiration, termination, cancellation or forfeiture of such award (excluding shares subject to an option cancelled upon settlement in shares of a related tandem SAR or shares subject to a tandem SAR cancelled upon exercise of a related option) or (ii) the settlement of such award in cash, then such shares of Common Stock shall again be available under this Plan; provided, however, that shares of Common Stock subject to an award under this Plan shall not again be available under this Plan if such shares are (x) shares that were subject to a stock-settled SAR and were not issued or delivered upon the net settlement of such SAR, (y) shares delivered to or withheld by the Company to pay the exercise price or the withholding taxes related to an outstanding award and (z) shares repurchased by the Company on the open market with the proceeds of an option exercise. The number of shares that again shall be available pursuant to this paragraph shall be equal to (i) one-half (0.5) of a share for each share subject to an option or Free-Standing SAR described herein or subject to an option or free-standing SAR granted under the Prior Plan and (ii) one (1.0) share for each share subject to a Stock Award or Performance Unit Award described herein or subject to a restricted stock award or restricted stock unit award granted under the Prior Plan.

The number of shares of Common Stock available for awards under this Plan shall not be reduced by (i) the number of shares of Common Stock subject to Substitute Awards or (ii) available shares under a stockholder approved plan of a company or other entity which was a party to a corporate transaction with the Company (as appropriately adjusted to reflect such corporate transaction) which become subject to awards granted under this Plan (subject to applicable stock exchange requirements).

Shares of Common Stock to be delivered under this Plan shall be made available from authorized and unissued shares of Common Stock, or authorized and issued shares of Common Stock reacquired and held as treasury shares or otherwise or a combination thereof.

To the extent necessary for an award to be qualified performance-based compensation under Section 162(m) of the Code and the regulations thereunder (i) the maximum number of shares of Common Stock with respect to which options may be granted during any 12-month period to any person shall be 3,000,000, and the maximum number of shares of Common Stock with respect to which SARs may be granted during any 12-month period to any person shall be 3,000,000, in each case subject to adjustment as provided in Section 5.7; (ii) the maximum number of shares of Common Stock with respect to which Stock Awards subject to Performance Measures may be earned during each 12-month period in the Performance Period applicable to such Stock Awards by any person shall be 3,000,000, subject to adjustment as provided in Section 5.7, and (iii) the maximum amount that may be earned with respect to Performance Units granted during each 12-month period in the Performance Period applicable to such Performance Units by any person shall be \$10,000,000.

## II. STOCK OPTIONS AND STOCK APPRECIATION RIGHTS

**2.1 Stock Options.** The Committee may, in its discretion, grant options to purchase shares of Common Stock to such eligible persons as may be selected by the Committee. Each option, or portion thereof, that is not an Incentive Stock Option, shall be a Nonqualified Stock Option. To the extent that the aggregate Fair Market Value (determined as of the date of grant) of shares of Common Stock with respect to which options designated as Incentive Stock Options are exercisable for the first time by a participant during any calendar year (under this Plan or any other plan of the Company, or any parent or Subsidiary) exceeds the amount (currently \$100,000) established by the Code, such options shall constitute Nonqualified Stock Options.

Options may be granted in addition to, or in lieu of, any other compensation payable to officers, other employees, Non-Employee Directors and independent contractors, and in all cases shall be subject to the following terms and conditions and shall contain such additional terms and conditions, not inconsistent with the terms of this Plan, as the Committee shall deem advisable:

(a) **Number of Shares and Purchase Price.** The number of shares of Common Stock subject to an option and the purchase price per share of Common Stock purchasable upon exercise of the option shall be determined by the Committee; provided, however, that the purchase price per share of Common Stock purchasable upon exercise of a Nonqualified Stock Option or an Incentive Stock Option shall not be less than 100% of the Fair Market Value of a share of Common Stock on the date of grant of such option; provided further, that if an Incentive Stock Option shall be granted to any person who, at the time such option is granted, owns capital stock possessing more than 10 percent of the total combined voting power of all classes of capital stock of the Company (or of any parent or Subsidiary) (a "Ten Percent Holder"), the purchase price per share of Common Stock shall not be less than the price (currently 110% of Fair Market Value) required by the Code in order to constitute an Incentive Stock Option.

Notwithstanding the foregoing, in the case of an option that is a Substitute Award, the exercise price per share of the shares subject to such option may be less than 100% of the Fair Market Value per share on the date of grant, provided, that the excess of: (a) the aggregate Fair Market Value (as of the date such Substitute Award is granted) of the shares subject to the Substitute Award, over (b) the aggregate exercise price thereof does not exceed the excess of: (x) the aggregate fair market value (as of the time immediately preceding the transaction giving rise to the Substitute Award, such fair market value to be determined by the Committee) of the shares of the predecessor company or other entity that were subject to the grant assumed or substituted for by the Company, over (y) the aggregate exercise price of such shares.

(b) **Option Period and Exercisability.** The period during which an option may be exercised shall be determined by the Committee; provided, however, that no option shall be exercised later than 7 years after its date of grant; provided further, that if an Incentive Stock Option shall be granted to a Ten Percent Holder, such option shall not be exercised later than five years after its date of grant. The Committee may, in its discretion, determine that an option is to be granted as a Performance Option and may establish an applicable Performance Period and Performance Measures which shall be satisfied or met as a condition to the grant of such option or to the exercisability of all or a portion of such option. The Committee shall determine whether an option shall become exercisable in cumulative or non-cumulative installments and in part or in full at any time. An exercisable option, or portion thereof, may be exercised only with respect to whole shares of Common Stock.

(c) **Method of Exercise.** An option may be exercised (i) by giving written notice to the Company specifying the number of whole shares of Common Stock to be purchased and accompanying such notice with payment therefor in full (or arrangement made for such payment to the Company's satisfaction) either (A) in cash, (B) by delivery (either actual delivery or by attestation procedures established by the Company) of shares of Common Stock having a Fair Market Value, determined as of the date of exercise, equal to the aggregate purchase price payable by reason of such exercise, (C) authorizing the Company to withhold whole shares of Common Stock which would otherwise be delivered having an aggregate Fair Market Value, determined as of the date of exercise, equal to the amount necessary to satisfy such obligation, (D) in cash by a broker-dealer acceptable to the Company to whom the optionee has submitted an irrevocable notice of exercise or (E) a combination of (A), (B) and (C), in each case to the extent set forth in the Agreement relating to the option, (ii) if applicable, by surrendering to the Company any Tandem SARs which are cancelled by reason of the exercise of the option and (iii) by executing such documents as the Company may reasonably request. Any fraction of a share of Common Stock which would be required to pay such purchase price shall be disregarded and the remaining amount due shall be paid in cash by the optionee. No shares of Common Stock shall be issued and no certificate representing Common Stock shall be delivered until the full purchase price therefor and any withholding taxes thereon, as described in Section 5.5, have been paid (or arrangement made for such payment to the Company's satisfaction).

**2.2 Stock Appreciation Rights.** The Committee may, in its discretion, grant SARs to such eligible persons as may be selected by the Committee. The Agreement relating to an SAR shall specify whether the SAR is a Tandem SAR or a Free-Standing SAR.

SARs shall be subject to the following terms and conditions and shall contain such additional terms and conditions, not inconsistent with the terms of this Plan, as the Committee shall deem advisable:

(a) **Number of SARs and Base Price.** The number of SARs subject to an award shall be determined by the Committee. Any Tandem SAR related to an Incentive Stock Option shall be granted at the same time that such Incentive Stock Option is granted. The base price of a Tandem SAR shall be the purchase price per share of Common Stock of the related option. The base price of a Free-Standing SAR shall be determined by the Committee; provided, however, that such base price shall not be less than 100% of the Fair Market Value of a share of Common Stock on the date of grant of such SAR.

Notwithstanding the foregoing, in the case of an SAR that is a Substitute Award, the base price per share of the shares subject to such SAR may be less than 100% of the Fair Market Value per share on the date of grant, provided, that the excess of: (a) the aggregate Fair Market Value (as of the date such Substitute Award is granted) of the shares subject to the Substitute Award, over (b) the aggregate base price thereof does not exceed the excess of: (x) the aggregate fair market value (as of the time immediately preceding the transaction giving rise to the Substitute Award, such fair market value to be determined by the Committee) of the shares of the predecessor company or other entity that were subject to the grant assumed or substituted for by the Company, over (y) the aggregate base price of such shares.

(b) **Exercise Period and Exercisability.** The period for the exercise of an SAR shall be determined by the Committee; provided, however, that no SAR shall be exercised later than 7 years after its date of grant; and provided further, that no Tandem SAR shall be exercised later than the expiration, cancellation, forfeiture or other termination of the related option. The Committee may, in its discretion, establish Performance Measures which shall be satisfied or met as a condition to the grant of an SAR or to the exercisability of all or a portion of an SAR. The Committee shall determine whether an SAR may be exercised in cumulative or non-cumulative installments and in part or in full at any time. An exercisable SAR, or portion thereof, may be exercised, in the case of a Tandem SAR, only with respect to whole shares of Common Stock and, in the case of a Free-Standing SAR, only with respect to a whole number of SARs. If an SAR is exercised for shares of Restricted Stock, a certificate or certificates representing such Restricted Stock shall be issued in accordance with Section 3.2(c), or such shares shall be transferred to the holder in book entry form with restrictions on the Shares duly noted, and the holder of such Restricted Stock shall have such rights of a stockholder of the Company as determined pursuant to Section 3.2(d). Prior to the exercise of an SAR, the holder of such SAR shall have no rights as a stockholder of the Company with respect to the shares of Common Stock subject to such SAR.

(c) **Method of Exercise.** A Tandem SAR may be exercised (i) by giving written notice to the Company specifying the number of whole SARs which are being exercised, (ii) by surrendering to the Company any options which are cancelled by reason of the exercise of the Tandem SAR and (iii) by executing such documents as the Company may reasonably request. A Free-Standing SAR may be exercised (A) by giving written notice to the Company specifying the whole number of SARs which are being exercised and (B) by executing such documents as the Company may reasonably request.

**2.3 Termination of Employment or Service.** All of the terms relating to the exercise, cancellation or other disposition of an option or SAR upon a termination of employment or service with the Company of the holder of such option or SAR, as the case may be, whether by reason of disability, retirement, death or any other reason, shall be determined by the Committee and set forth in the applicable award Agreement.

**2.4 No Repricing.** Notwithstanding anything in this Plan to the contrary and subject to Section 5.7, the Committee shall not (i) reduce the exercise price of any previously granted option or SAR, (ii) cancel any previously granted option or SAR in exchange for another option or SAR with a lower exercise price or base price or (iii) cancel any previously granted option or SAR in exchange for cash or another award if the exercise price of such option or the base price of such SAR exceeds the Fair Market Value of a share of Common Stock on the date of such cancellation, in each case other than in connection with a Change in Control, without the approval of the stockholders of the Company.

**2.5 Dividend Equivalents.** Notwithstanding anything in an Agreement to the contrary, the holder of an option or SAR shall not be entitled to receive dividend equivalents with respect to the number of shares of Common Stock subject to such option or SAR.

### III. STOCK AWARDS

**3.1 Stock Awards.** The Committee may, in its discretion, grant Stock Awards to such eligible persons as may be selected by the Committee. The minimum Restriction Period and the minimum Performance Period specified in Section 3.2(b) relating to Restricted Stock Awards and specified in Section 3.3(b) relating to Restricted Stock Unit Awards shall not be applicable to awards granted under this Plan with respect to the number of shares of Common Stock which, in the aggregate, does not exceed five percent (5%) of the total number of shares available for awards under this Plan. The Agreement relating to a Stock Award shall specify whether the Stock Award is a Restricted Stock Award or a Restricted Stock Unit Award.

**3.2 Terms of Restricted Stock Awards.** Restricted Stock Awards shall be subject to the following terms and conditions and shall contain such additional terms and conditions, not inconsistent with the terms of this Plan, as the Committee shall deem advisable.

(a) Number of Shares and Other Terms. The number of shares of Common Stock subject to a Restricted Stock Award and the Restriction Period, Performance Period (if any) and Performance Measures (if any) applicable to a Restricted Stock Award shall be determined by the Committee.

(b) Vesting and Forfeiture. The Agreement relating to a Restricted Stock Award shall provide, in the manner determined by the Committee, in its discretion, and subject to the provisions of this Plan, for the vesting of the shares of Common Stock subject to such award (i) if the holder of such award remains continuously in the employment of the Company during the specified Restriction Period and (ii) if specified Performance Measures (if any) are satisfied or met during a specified Performance Period, and for the forfeiture of the shares of Common Stock subject to such award (x) if the holder of such award does not remain continuously in the employment of the Company during the specified Restriction Period or (y) if specified Performance Measures (if any) are not satisfied or met during a specified Performance Period. Notwithstanding the foregoing, but subject to Sections 3.1 and 5.3 (i) the Restriction Period of a Restricted Stock Award not subject to Performance Measures shall not be less than one (1) year, subject to pro-rata vesting during such one-year Restriction Period, and (ii) the Performance Period of a Restricted Stock Award subject to Performance Measures shall not be less than one (1) year.

(c) Stock Issuance. During the Restriction Period, the shares of Restricted Stock shall be held by a custodian in book entry form with restrictions on such shares duly noted or, alternatively, a certificate or certificates representing a Restricted Stock Award shall be registered in the holder's name and may bear a legend, in addition to any legend which may be required pursuant to Section 5.6, indicating that the ownership of the shares of Common Stock represented by such certificate is subject to the restrictions, terms and conditions of this Plan and the Agreement relating to the Restricted Stock Award. All such certificates shall be deposited with the Company, together with stock powers or other instruments of assignment (including a power of attorney), each endorsed in blank with a guarantee of signature if deemed necessary or appropriate, which would permit transfer to the Company of all or a portion of the shares of Common Stock subject to the Restricted Stock Award in the event such award is forfeited in whole or in part. Upon termination of any applicable Restriction Period (and the satisfaction or attainment of applicable Performance Measures), subject to the Company's right to require payment of any taxes in accordance with Section 5.5, the restrictions shall be removed from the requisite number of any shares of Common Stock that are held in book entry form, and all certificates evidencing ownership of the requisite number of shares of Common Stock shall be delivered to the holder of such award.

(d) Rights with Respect to Restricted Stock Awards. Unless otherwise set forth in the Agreement relating to a Restricted Stock Award, and subject to the terms and conditions of a Restricted Stock Award, the holder of such award shall have all rights as a stockholder of the Company, including, but not limited to, voting rights, the right to receive dividends and the right to participate in any capital adjustment applicable to all holders of Common Stock. Notwithstanding the foregoing, all distributions and dividends with respect to shares of Common Stock, including a regular cash dividend, shall be deposited with the Company and shall be subject to the same restrictions as the shares of Common Stock with respect to which such distribution or dividend was made.

**3.3 Terms of Restricted Stock Unit Awards.** Restricted Stock Unit Awards shall be subject to the following terms and conditions and shall contain such additional terms and conditions, not inconsistent with the terms of this Plan, as the Committee shall deem advisable.

(a) Number of Shares and Other Terms. The number of shares of Common Stock subject to a Restricted Stock Unit Award and the Restriction Period, Performance Period (if any) and Performance Measures (if any) applicable to a Restricted Stock Unit Award shall be determined by the Committee.

(b) **Vesting and Forfeiture.** The Agreement relating to a Restricted Stock Unit Award shall provide, in the manner determined by the Committee, in its discretion, and subject to the provisions of this Plan, for the vesting of such Restricted Stock Unit Award (i) if the holder of such award remains continuously in the employment of the Company during the specified Restriction Period and (ii) if specified Performance Measures (if any) are satisfied or met during a specified Performance Period, and for the forfeiture of the shares of Common Stock subject to such award (x) if the holder of such award does not remain continuously in the employment of the Company during the specified Restriction Period or (y) if specified Performance Measures (if any) are not satisfied or met during a specified Performance Period. Notwithstanding the foregoing, but subject to Sections 3.1 and 5.3 (i) the Restriction Period of a Restricted Stock Unit Award not subject to Performance Measures shall not be less than one (1) year, subject to pro-rata vesting during such one-year Restriction Period, and (ii) the Performance Period of a Restricted Stock Unit Award subject to Performance Measures shall not be less than one (1) year.

(c) **Settlement of Vested Restricted Stock Unit Awards.** The Agreement relating to a Restricted Stock Unit Award shall specify (i) whether such award may be settled in shares of Common Stock or cash or a combination thereof and (ii) whether the holder thereof shall be entitled to receive dividend equivalents, and, if determined by the Committee, interest on, or the deemed reinvestment of, any deferred dividend equivalents, with respect to the number of shares of Common Stock subject to such award. Any dividend equivalents with respect to Restricted Stock Units shall be subject to the same restrictions as such Restricted Stock Units. Prior to the settlement of a Restricted Stock Unit Award, the holder of such award shall have no rights as a stockholder of the Company with respect to the shares of Common Stock subject to such award.

**3.4 Termination of Employment or Service.** All of the terms relating to the satisfaction of Performance Measures and the termination of the Restriction Period or the Performance Period relating to a Stock Award, or any forfeiture and cancellation of such award upon a termination of employment or service with the Company of the holder of such award shall be determined by the Committee in accordance with the terms of this Plan, including Sections 1.3, 3.2(b), 3.3(b) and 5.3, and set forth in the applicable award Agreement.

#### IV. PERFORMANCE UNIT AWARDS

**4.1 Performance Unit Awards.** The Committee may, in its discretion, grant Performance Unit Awards to such eligible persons as may be selected by the Committee.

**4.2 Terms of Performance Unit Awards.** Performance Unit Awards shall be subject to the following terms and conditions and shall contain such additional terms and conditions, not inconsistent with the terms of this Plan, as the Committee shall deem advisable.

(a) **Number of Performance Units and Performance Measures.** The number of Performance Units subject to a Performance Unit Award, the method of determining the value of each Performance Unit and the Performance Measures and Performance Period applicable to a Performance Unit Award shall be determined by the Committee.

(b) **Vesting and Forfeiture.** The Agreement relating to a Performance Unit Award shall provide, in the manner determined by the Committee, in its discretion, and subject to the provisions of this Plan, for the vesting of such Performance Unit Award if the specified Performance Measures are satisfied or met during the specified Performance Period and for the forfeiture of such award if the specified Performance Measures are not satisfied or met during the specified Performance Period. Notwithstanding the foregoing, but subject to Section 5.3, the Performance Period of a Performance Unit Award that may be settled in shares of Common Stock shall not be less than one (1) year.

(c) **Settlement of Vested Performance Unit Awards.** The Agreement relating to a Performance Unit Award shall specify whether such award may be settled in shares of Common Stock (including shares of Restricted Stock) or cash or a combination thereof. If a Performance Unit Award is settled in shares of Restricted Stock, such shares of Restricted Stock shall be issued to the holder in book entry form or a certificate or certificates representing such Restricted Stock shall be issued in accordance with Section 3.2(c) and the holder of such Restricted Stock shall have such rights as a stockholder of the Company as determined pursuant to Section 3.2(d). Any dividends or dividend equivalents with respect to a Performance Unit Award shall be subject to the same restrictions as such Performance Unit Award. Prior to the settlement of a Performance Unit Award in shares of Common Stock, including Restricted Stock, the holder of such award shall have no rights as a stockholder of the Company.

**4.3 Termination of Employment or Service.** All of the terms relating to the satisfaction of Performance Measures and the termination of the Performance Period relating to a Performance Unit Award, or any forfeiture and cancellation of such award upon a termination of employment or service with the Company of the holder of such award, whether by reason of disability, retirement, death or any other reason, shall be determined by the Committee and set forth in the applicable award Agreement.

## V. GENERAL

**5.1 Effective Date and Term of Plan.** This Plan became effective as of March 21, 2011 and was amended and restated on May 21, 2013. This Plan shall terminate as of the first annual meeting of the Company's stockholders to occur on or after April 12, 2027, unless terminated earlier by the Board. Termination of this Plan shall not affect the terms or conditions of any award granted prior to termination.

Awards hereunder may be made at any time prior to the termination of this Plan, provided that no Incentive Stock Option may be granted later than April 12, 2027. In the event that this Plan is not approved by the stockholders of the Company, this Plan and any awards hereunder shall be void and of no force or effect.

**5.2 Amendments.** The Board may amend this Plan as it shall deem advisable, subject to any requirement of stockholder approval required by Section 2.4 or by applicable law, rule or regulation, including Section 162(m) of the Code and any rule of the Nasdaq Global Select Market, or any other stock exchange on which shares of Common Stock are traded; provided, however, that no amendment may impair the rights of a holder of an outstanding award without the consent of such holder.

**5.3 Agreement.** Each award under this Plan shall be evidenced by an Agreement setting forth the terms and conditions applicable to such award. An Agreement (or an employment agreement referred to therein) may provide that, or the Committee may, in its sole discretion at any time, take action such that in the event of a termination of employment or service or in the event of a Change in Control (i) any or all outstanding options and SARs shall become exercisable in part or in full, (ii) all or a portion of the Restriction Period applicable to any outstanding Restricted Stock, Restricted Stock Units or Performance Units shall lapse, (iii) all or a portion of the Performance Period applicable to any outstanding award shall lapse, and (iv) the Performance Measures (if any) applicable to any outstanding award shall be deemed to be satisfied at the target, maximum or any other level. No award shall be valid until an Agreement is executed by the Company and, to the extent required by the Company, the recipient of such award and, upon such execution and delivery of the Agreement to the Company within the time period specified by the Company, such award shall be effective as of the effective date set forth in the Agreement.

**5.4 Non-Transferability.** No award shall be transferable other than by will, the laws of descent and distribution or pursuant to beneficiary designation procedures approved by the Company or, to the extent expressly permitted in the Agreement relating to such award, to the holder's family members, a trust or entity established by the holder for estate planning purposes or a charitable organization designated by the holder, in each case, without consideration. Except to the extent permitted by the foregoing sentence or the Agreement relating to an award, each award may be exercised or settled during the holder's lifetime only by the holder or the holder's legal representative or similar person. Except as permitted by the second preceding sentence, no award may be sold, transferred, assigned, pledged, hypothecated, encumbered or otherwise disposed of (whether by operation of law or otherwise) or be subject to execution, attachment or similar process. Upon any attempt to so sell, transfer, assign, pledge, hypothecate, encumber or otherwise dispose of any award, such award and all rights thereunder shall immediately become null and void.

**5.5 Tax Withholding.** The Company shall have the right to require, prior to the issuance or delivery of any shares of Common Stock or the payment of any cash pursuant to an award made hereunder, payment by the holder of such award of any federal, state, local or other taxes which may be required to be withheld or paid in connection with such award. An Agreement may provide that (i) the Company shall withhold whole shares of Common Stock which would otherwise be delivered to a holder, having an aggregate Fair Market Value determined as of the date the obligation to withhold or pay taxes arises in connection with an award (the "Tax Date"), or withhold an amount of cash which would otherwise be payable to a holder, in the amount necessary to satisfy any such obligation or (ii) the holder may satisfy any such obligation by any of the following means: (A) a cash payment to the Company, (B) delivery (either actual delivery or by attestation procedures established by the Company) to the Company of previously owned whole shares of Common Stock having an aggregate Fair Market Value, determined as of the Tax Date, equal to the amount necessary to satisfy any such obligation, (C) authorizing the Company to withhold whole shares of Common Stock which would otherwise be delivered having an aggregate Fair Market Value, determined as of the Tax Date, or withhold an amount of cash which would otherwise be payable to a holder, in either case equal to the amount necessary to satisfy any such obligation, (D) in the case of the exercise of an option, a cash payment by a broker-dealer acceptable to the Company to whom the optionee has submitted an irrevocable notice of exercise or (E) any combination of (A), (B) and (C), in each case to the extent set forth in the Agreement relating to the award. Shares of Common Stock to be delivered or withheld may not have an aggregate Fair Market Value in excess of the amount determined by applying the minimum statutory withholding rate (or, if permitted by the Company, such other rate as will not cause adverse accounting consequences under the accounting rules then in effect). Any fraction of a share of Common Stock which would be required to satisfy such an obligation shall be disregarded and the remaining amount due shall be paid in cash by the holder.

**5.6 Restrictions on Shares.** Each award made hereunder shall be subject to the requirement that if at any time the Company determines that the listing, registration or qualification of the shares of Common Stock subject to such award upon any securities exchange or under any law, or the consent or approval of any governmental body, or the taking of any other action is necessary or desirable as a condition of, or in connection with, the delivery of shares thereunder, such shares shall not be delivered unless such listing, registration, qualification, consent, approval or other action shall have been effected or obtained, free of any conditions not acceptable to the Company. The Company may require that certificates evidencing shares of Common Stock delivered pursuant to any award made hereunder bear a legend indicating that the sale, transfer or other disposition thereof by the holder is prohibited except in compliance with the Securities Act of 1933, as amended, and the rules and regulations thereunder.

**5.7 Adjustment.** In the event of any stock split, stock dividend, recapitalization, reorganization, merger, consolidation, combination, exchange of shares, liquidation, spin-off or other similar change in capitalization or event, or any distribution to holders of Common Stock other than a regular cash dividend, the number and class of securities available under this Plan, the number and class of securities subject to each outstanding option or SAR and the purchase price or base price per share, the terms of each outstanding Restricted Stock Award and Restricted Stock Unit Award, including the number and class of securities subject thereto, the terms of each outstanding Performance Unit, the maximum number of securities with respect to which options or SARs may be granted during any fiscal year of the Company to any one grantee, the maximum number of shares of Common Stock that may be awarded during any fiscal year of the Company to any one grantee pursuant to a Stock Award that is subject to Performance Measures, and the maximum amount that may be payable pursuant to any Performance Unit Award granted during any fiscal year of the Company to any one grantee shall be appropriately adjusted by the Committee, such adjustments to be made in the case of outstanding options and SARs without an increase in the aggregate purchase price or base price. The decision of the Committee regarding any such adjustment shall be final, binding and conclusive. If any such adjustment would result in a fractional security being (a) available under this Plan, such fractional security shall be disregarded, or (b) subject to an award under this Plan, the Company shall pay the holder of such award, in connection with the first vesting, exercise or settlement of such award, in whole or in part, occurring after such adjustment, an amount in cash determined by multiplying (i) the fraction of such security (rounded to the nearest hundredth) by (ii) the excess, if any, of (A) the Fair Market Value on the vesting, exercise or settlement date over (B) the exercise or base price, if any, of such award.

**5.8 Change in Control.**

(a) **Double-Trigger Vesting.** Unless otherwise determined by the Committee pursuant to Section 5.3 or provided in an award Agreement or another agreement, in the event of a Change in Control of the Company and a termination of employment or service under circumstances determined by the Board or the Committee within 24 months following such Change in Control or within three months prior thereto in connection with such Change in Control (A) the outstanding options and SARs shall immediately become exercisable in full or in part, (B) the Restriction Period applicable to the outstanding Restricted Stock Awards and Restricted Stock Unit Awards shall lapse in full or in part, (C) the Performance Period applicable to the outstanding awards shall lapse in full or in part, and (D) the Performance Measures applicable to the outstanding awards shall be deemed to be satisfied at the target, maximum or any other level.

(b) **Board and Committee Discretion.** In the event of a Change in Control of the Company, the Board or the Committee may, in its discretion:

(i) require that shares of capital stock of the corporation resulting from or succeeding to the business of the Company pursuant to such Change in Control, or a parent corporation thereof, be substituted for some or all of the shares of Common Stock subject to an outstanding award, with an appropriate and equitable adjustment to such award as determined by the Board in accordance with Section 5.7; and/or

(ii) require outstanding awards, in whole or in part, to be surrendered to the Company by the holder, and to be immediately cancelled by the Company, and to provide for the holder to receive (A) a cash payment in an amount equal to (x) in the case of an option or an SAR, the number of shares of Common Stock then subject to the portion of such option or SAR surrendered, to the extent such option or SAR is then exercisable or becomes exercisable pursuant to Section 5.3 or the terms of an award Agreement or other agreement, multiplied by the excess, if any, of the Fair Market Value of a share of Common Stock as of the date of the Change in Control, over the purchase price or base price per share of Common Stock subject to such option or SAR, (y) in the case of a Stock Award, the number of shares of Common Stock then subject to the portion of such award surrendered, to the extent the Restriction Period and Performance Period, if any, on such Stock Award have lapsed or will lapse pursuant to Section 5.3 or the terms of an award Agreement or other agreement and to the extent that the Performance Measures, if any, have been satisfied or are deemed satisfied pursuant to Section 5.3 or the terms of an award Agreement or other agreement, multiplied by the Fair Market Value of a share of Common Stock as of the date of the Change in Control, and (z)

in the case of a Performance Unit Award, the value of the Performance Units then subject to the portion of such award surrendered, to the extent the Performance Period applicable so such award has lapsed or will lapse pursuant to Section 5.3 or the terms of an award Agreement or other agreement and to the extent the Performance Measures applicable to such award have been satisfied or are deemed satisfied pursuant to Section 5.3 or the terms of an award Agreement or other agreement; (B) shares of capital stock of the corporation resulting from or succeeding to the business of the Company pursuant to such Change in Control, or a parent corporation thereof, having a Fair Market Value not less than the amount determined under clause (A) above; or (C) a combination of the payment of cash pursuant to clause (A) above and the issuance of shares pursuant to clause (B) above.

(c) **Definition of Change in Control.** A “Change in Control” shall mean and be determined to have occurred upon any one of the following events: (i) the date any person or group other than any Subsidiary (or any employee benefit plans (or related trust) of the Company or any of its Subsidiaries) acquires beneficial ownership of securities possessing more than thirty percent (30%) of the total combined voting power of the Company’s then outstanding voting securities which generally entitle the holder thereof to vote for the election of directors (“Voting Power”); provided, however, that no Change in Control shall be deemed to have occurred solely by reason of any such acquisition by a corporation with respect to which, after such acquisition, more than sixty percent (60%) of the then outstanding shares of common stock of such corporation and the Voting Power of such corporation are then beneficially owned, directly or indirectly, by the persons who were the beneficial owners of the stock and Voting Power of Company immediately before such acquisition, in substantially the same proportions as their ownership immediately before such acquisition; or (ii) the date the individuals who constitute the Board as of the date of the approval of this Plan by the Board (the “Incumbent Board”) cease for any reason other than their deaths to constitute at least a majority of the Board; provided that any individual who becomes a director after the date of the approval of this Plan by the Board whose election or nomination for election by Company’s stockholders was approved by a vote of at least a majority of the directors then comprising the Incumbent Board shall be considered, for purposes of this definition, as though such individual were a member of the Incumbent Board, but excluding, for this purpose, any such individual whose initial assumption of office is in connection with an actual or threatened solicitation by a person or group other than the Board for the purpose of opposing a solicitation by any other person or group with respect to the election or removal of directors of the Company; or (iii) the Company effects (A) a merger, reorganization or consolidation of Company with one or more corporations or entities, unless, in any such case, immediately after such merger, reorganization or consolidation, more than 50% of the Voting Power of the then outstanding securities of the corporation resulting from such merger, reorganization or consolidation is then owned, directly or indirectly, by all or substantially all of the persons who were the beneficial owners, respectively, of the outstanding Voting Stock of Company immediately prior to such merger, reorganization or consolidation and in substantially the same proportions relative to each other as their ownership, immediately prior to such merger, reorganization or consolidation, of the outstanding Voting Stock of the Company; or (B) a sale or other disposition of all or substantially all of the assets of Company (x) other than to an entity of which Company owns at least 50% of the Voting Power or (y) other than to a corporation with respect to which, immediately after such sale or other disposition, more than 50% of the Voting Power of the then outstanding securities thereof is then beneficially owned, directly or indirectly, by all or substantially all of the persons who were the beneficial owners, respectively, of the Voting Stock of the Company immediately prior to such sale or other disposition and in substantially the same proportions relative to each other as their ownership, immediately prior to such sale or other disposition, of the outstanding Voting Stock of the Company. For purposes of the foregoing definition, the terms “beneficially owned” and “beneficial ownership” shall have the meanings ascribed to them in Rule 13d-3 under the Exchange Act, the term “person” shall have the meaning ascribed to it in Section 13(d)(3) or Section 14(d)(2) of the Exchange Act and “group” means two or more persons acting together in such a way to be deemed a person for purposes of Section 13(d) of the Exchange Act.

**5.9 Deferrals.** The Committee may determine that the delivery of shares of Common Stock or the payment of cash, or a combination thereof, upon the settlement of all or a portion of any award made hereunder shall be deferred, or the Committee may, in its sole discretion, approve deferral elections made by holders of awards. Deferrals shall be for such periods and upon such terms as the Committee may determine in its sole discretion, subject to the requirements of Section 409A of the Code.

**5.10 No Right of Participation, Employment or Service.** Unless otherwise set forth in an employment agreement, no person shall have any right to participate in this Plan. Neither this Plan nor any award made hereunder shall confer upon any person any right to continued employment by or service with the Company, any Subsidiary or any affiliate of the Company or affect in any manner the right of the Company, any Subsidiary or any affiliate of the Company to terminate the employment of any person at any time without liability hereunder.

**5.11 Rights as Stockholder.** No person shall have any right as a stockholder of the Company with respect to any shares of Common Stock or other equity security of the Company which is subject to an award hereunder unless and until such person becomes a stockholder of record with respect to such shares of Common Stock or equity security.

**5.12 Designation of Beneficiary.** To the extent permitted by the Committee, a holder of an award may file with the Company a written designation of one or more persons as such holder's beneficiary or beneficiaries (both primary and contingent) in the event of the holder's death or incapacity. To the extent an outstanding option or SAR granted hereunder is exercisable, such beneficiary or beneficiaries shall be entitled to exercise such option or SAR pursuant to procedures prescribed by the Company. Each beneficiary designation shall become effective only when filed in writing with the Company during the holder's lifetime on a form prescribed by the Company. The spouse of a married holder domiciled in a community property jurisdiction shall join in any designation of a beneficiary other than such spouse. The filing with the Company of a new beneficiary designation shall cancel all previously filed beneficiary designations. If a holder fails to designate a beneficiary, or if all designated beneficiaries of a holder predecease the holder, then each outstanding award held by such holder, to the extent vested or exercisable, shall be payable to or may be exercised by such holder's executor, administrator, legal representative or similar person.

**5.13 Governing Law.** This Plan, each award hereunder and the related Agreement, and all determinations made and actions taken pursuant thereto, to the extent not otherwise governed by the Code or the laws of the United States, shall be governed by the laws of the State of Delaware and construed in accordance therewith without giving effect to principles of conflicts of laws.

**5.14 Section 409A.** To the extent that the Committee determines that any award granted under this Plan is subject to Section 409A of the Code, the award Agreement evidencing such award shall incorporate the terms and conditions required by Section 409A of the Code. To the extent applicable, this Plan and the award Agreements shall be interpreted in accordance with Section 409A of the Code and Department of Treasury regulations and other interpretive guidance issued thereunder, including without limitation any such regulations or other guidance that may be issued after the effective date of this Plan. Notwithstanding any provision of this Plan to the contrary, in the event that following the effective date of this Plan, the Committee determines that any award may be subject to Section 409A of the Code and related Department of Treasury guidance (including such Department of Treasury guidance as may be issued after the effective date of this Plan), the Committee may adopt such amendments to this Plan and the applicable award Agreement or adopt other policies and procedures (including amendments, policies and procedures with retroactive effect), or take any other actions, that the Committee determines are necessary or appropriate to (i) exempt the award from Section 409A of the Code and/or preserve the intended tax treatment of the benefits provided with respect to the award, or (ii) comply with the requirements of Section 409A of the Code and related Department of Treasury guidance and thereby avoid the application of any penalty taxes under Section 409A.

**5.15 Foreign Employees.** Without amending this Plan, the Committee may grant awards to eligible persons who are foreign nationals and/or reside outside the U.S. on such terms and conditions different from those specified in this Plan as may in the judgment of the Committee be necessary or desirable to foster and promote achievement of the purposes of this Plan and, in furtherance of such purposes the Committee may make such modifications, amendments, procedures, subplans and the like as may be necessary or advisable to comply with provisions of laws in other countries or jurisdictions in which the Company or its Subsidiaries operates or has employees.
