ITEM 5. INTEREST IN SECURITIES OF THE ISSUER

(a) - (b) General Electric, IDX and IIC are beneficial owners of 7,077,138 share of Common Stock of the Company, representing approximately 16.8% of the outstanding shares of Common Stock of the Company. These shares are owned directly by IIC, a wholly-owned subsidiary of IDX, which became a wholly-owned subsidiary of General Electric on January 4, 2006 as a result of the IDX Merger described in Item 2. General Electric and IDX are therefore indirect beneficial owners of these shares. General Electric, IDX and IIC have shared power to vote or to direct the vote, and shared power to dispose or to direct the disposition of, these shares. The beneficial ownership percentage amount reported above is based upon 42,189,462 shares of Common Stock of the Company issued and outstanding as of October 31, 2005, as reported by the Company in its quarterly report on Form 10-Q for the quarterly period ended on September 30, 2005, filed with the SEC on November 11, 2005.

(c) Except as described above in Items 2, 4 and 5, which are incorporated herein by reference, none of the Reporting Persons has effected any transactions in shares of Common Stock of the Company during the past 60 days.

(d) None.

(e) Not applicable.

Item 6 is hereby amended as follows:

ITEM 6. CONTRACTS, ARRANGEMENTS, UNDERSTANDINGS OR RELATIONSHIPS WITH RESPECT TO SECURITIES OF THE ISSUER

In connection with the Channelhealth Merger, IDX and the Company entered into a Stock Rights and Restriction Agreement, dated as of January 8, 2001 (the **Stock Rights and Restriction Agreement**), pursuant to which the shares of Common Stock are subject to certain restrictions. On September 30, 2001 the Company, IDX and IIC entered into a Joinder (the **Joinder**), pursuant to which IIC was added as a party to, and became bound by the terms of, the Stock Rights and Restrictions Agreement.

Pursuant to the Stock Rights and Restrictions Agreement, the Reporting Persons have complete discretion to vote the shares of Common Stock of the Company, unless the matter to be voted on constitutes a business combination, involves the acquisition of 50% or more of the outstanding stock of the Company, involves the issuance of Common Stock by the Company for cash or involves any acquisition by the Company, in which cases the Reporting Persons have agreed to vote the shares of Common Stock in accordance with the recommendation of the directors of the Company who were directors of the Company prior to January 8, 2001 (or who were elected by such directors); provided, however, that the voting restriction will not apply in any event if the average closing price of the Common Stock for the 90 days prior to the date of such vote is less than \$14.5625 (as may be adjusted pursuant to the terms thereof) and the Reporting Persons are not in default under the Merger Agreement or any agreement executed in connection therewith.

Also, pursuant to the Stock Rights and Restrictions Agreement, the Reporting Persons have agreed not to transfer any of the shares of Common Stock of the Company without the prior written consent of a majority of the directors of the Company who were directors of the Company prior to January 8, 2001 (or who were elected by such directors), except under certain limited circumstances set forth in the Stock Rights and Restrictions Agreement. Certain such restrictions on transfer expired on January 8, 2006, and each of GE, IDX and IIC reserves the right to dispose of the shares of Common Stock of the Company in accordance with the Stock Rights and Restrictions Agreement.

Pursuant to the Stock Rights and Restrictions Agreement, so long as the Reporting Persons own 25% of the shares of Common Stock of the Company which it owned immediately following the Merger,

the Reporting Persons are entitled to designate one individual to the Company's board of directors. The Reporting Persons' initial designee to the Company's board was Mr. Richard E. Tarrant. Mr. Tarrant also executed the Stock Rights and Restrictions Agreement, in his individual capacity, for the purpose of agreeing not to transfer any shares of Common Stock of the Company owned by him for a period of six months following the effectiveness of the Merger. Mr. Tarrant resigned from the board of directors of the Company on June 6, 2003.

Notwithstanding the execution of the Amended SAA (as defined in Item 4 above), the Stock Rights and Restrictions Agreement remains in full force and effect in accordance with its terms.

The foregoing descriptions of the Stock Rights and Restrictions Agreement and the Joinder are qualified in their entirety by reference to such agreements, which are filed as Exhibits 99.1 and 99.2 to this Statement.
