Questions and Answers

What am I voting on?

We are soliciting your vote on the election of two directors to each serve for a three-year term and the ratification of KPMG LLP as our independent accountants.

Who may vote?

Allscripts stockholders at the close of business on April 24, 2003, the record date, are entitled to vote. On that date, there were 38,440,520 shares of Allscripts common stock outstanding.

How many votes do I have?

Each share of Allscripts common stock that you own entitles you to one vote.

How do I vote?

All stockholders may vote by mail. You also may be able to vote by telephone or over the Internet. To vote by mail, please sign, date and mail your proxy in the postage paid envelope provided. If you hold your shares through a bank or broker and they do not offer telephone or Internet voting, please complete and return your proxy by mail. If you attend the Annual Meeting in person and would like to vote then, we will give you a ballot at the meeting. If your shares are held in the name of your broker, bank or other nominee, you need to bring an account statement or letter from the nominee indicating that you were the beneficial owner of the shares on April 24, 2003, the record date for voting.

How does discretionary voting authority apply?

If you sign, date and return your proxy card, your vote will be cast as you direct. If you do not indicate how you want to vote, you give authority to Glen E. Tullman and William J. Davis to vote for the items discussed in these proxy materials and any other matter that is properly raised at the Annual Meeting. In such a case, your vote will be cast FOR the election of each director nominee, FOR the ratification of our independent accountants and FOR or AGAINST any other properly raised matters at the discretion of Messrs. Tullman and Davis.

May I revoke my proxy?

You may revoke your proxy at any time before it is exercised in one of four ways:

1. Notify our Secretary in writing before the Annual Meeting that you are revoking your proxy.
2. Submit another proxy with a later date.
3. Vote by telephone or Internet after you have given your proxy.
4. Vote in person at the Annual Meeting.

What does it mean if I receive more than one proxy card?

Your shares are likely registered differently or are in more than one account. You should sign and return all proxy cards to guarantee that all of your shares are voted.

What constitutes a quorum?

The presence, in person or by proxy, of the holders of one-third of the total number of shares of Allscripts common stock issued and outstanding constitutes a quorum. You will be considered part of the quorum if you return a signed and dated proxy card, if you vote by telephone or over the Internet, or if you attend the Annual Meeting.

Abstentions and broker non-votes are counted as "shares present" at the Annual Meeting for purposes of determining whether a quorum exists. A broker non-vote occurs when a broker submits a proxy that does not indicate a vote for a proposal because he or she does not have voting authority and has not received voting instructions from you.

What vote is required to elect the directors?

Election of Directors: A plurality of the votes cast will elect directors. This means that the two nominees who receive the highest number of votes will be elected. If you do not want to vote your shares for a particular nominee, you may indicate that in the space provided on the proxy card or withhold authority as prompted during telephone or Internet voting. Abstentions and broker non-votes will have no effect on the election of directors.

Ratification of Independent Accountants: Although we are not required to submit the appointment of our auditors to a vote of stockholders, we believe that it is appropriate to ask that you ratify the appointment. Ratification of KPMG LLP as our independent accountants requires the affirmative vote of a majority of the shares present or

represented by proxy at the Annual Meeting.

How do I submit a stockholder proposal?

You must submit a proposal to be included in our proxy statement for the 2004 annual meeting of stockholders in writing no later than January 12, 2004. Your proposal must comply with the proxy rules of the Securities and Exchange Commission. You should send your proposal to our Secretary at our address on the cover of this proxy statement.

You also may submit a proposal that you do not want included in the proxy statement but that you want to raise at the 2004 annual meeting of stockholders. We must receive your proposal in writing on or after January 13, 2004 but no later than February 12, 2004. If you submit your proposal after the deadline and we choose to consider it at the meeting, then Securities and Exchange Commission rules permit the individuals named in the proxies solicited by our board of directors for that meeting

2

to exercise discretionary voting power as to that proposal. To be properly brought before an annual meeting, our by-laws require that your proposal give: (1) a brief description of the business you want to bring before the meeting; (2) your name and address as they appear on our stock records; (3) the class and number of shares of Allscripts that you beneficially own; and (4) any interest you may have in the business you want to bring before the meeting. You should send your proposal to our Secretary at the address on the cover of this proxy statement.

How do I nominate a director?

If you wish to recommend a nominee for director for the 2004 annual meeting of stockholders, our Secretary must receive your written nomination on or after January 13, 2004 but no later than February 12, 2004. You should submit your proposal to the Secretary at our address on the cover of this proxy statement. Our by-laws require that you provide: (1) your name and address and the name and address of the nominee; (2) a statement that you are a record holder of Allscripts common stock entitled to vote at the meeting and that you plan to appear in person or by proxy at the meeting to make the nomination; (3) a description of all arrangements or understandings under which you are making the nominations; (4) any other information that the rules of the Securities and Exchange Commission require to be included in a proxy statement; and (5) the nominee's agreement to serve as a director if elected.

Who pays to prepare, mail and solicit the proxies?

We will pay all of the costs of preparing, mailing and soliciting these proxies. We will ask brokers, banks, voting trustees and other nominees and fiduciaries to forward the proxy materials to the beneficial owners of our common stock and to obtain the authority to execute proxies. We will reimburse them for their reasonable expenses upon request. In addition to mailing proxy materials, our directors, officers and employees may solicit proxies in person, by telephone or otherwise. These individuals will not be specially compensated.

3

Election of Directors

Seven directors currently serve on our board of directors. The directors are divided into three classes. At this Annual Meeting, you will be asked to elect two directors. Each director will serve for a term of three years, until a qualified successor director has been elected, or until he resigns or is removed by the board. Edward M. Philip, a current director whose term expires at this Annual Meeting, is not standing for reelection at this Annual Meeting. The remaining four directors will continue to serve on the board as described below. The nominees, Philip D. Green and Bernard Goldstein, are currently directors.

Your shares will be voted as you specify on the enclosed proxy card or in telephone or Internet voting. If you do not specify how you want your shares voted, we will vote them FOR the election of Messrs. Green and Goldstein. If unforeseen circumstances (such as death or disability) make it necessary for the board of directors to substitute another person for a nominee, your shares will be voted FOR that other person. The board does not anticipate that any nominee will be unable to serve. The nominees and continuing directors have provided the following information

about themselves.

Nominees

Philip D. Green, 52, was elected to our board in 1992. Mr. Green has been a partner with Akin, Gump, Strauss, Hauer & Feld, L.L.P. since June 2000. From 1989 until that time, Mr. Green was a partner with the Washington, D.C. based law firm of Green, Stewart, Farber & Anderson, P.C., of which Mr. Green was a founding partner. Mr. Goldstein was a director of Apple Computer Inc. until August 1997, and is currently a director of Sungard Data Systems, Inc., SPSS, Inc., and several privately held companies.

Directors Continuing Until 2004 Annual Meeting

Michael J. Kluger, 46, was elected to our board in 1994. He is a founding partner of Liberty Partners, L.P., whose general partner is Liberty Capital Partners, Inc., a New York investment management firm, where he has served as a Managing Director since 1992. For five years prior thereto, Mr. Kluger was a Director and Senior Vice

President of Merrill Lynch Interfunding Inc., a subsidiary of Merrill Lynch & Co., an investment banking and brokerage firm.

Directors Continuing Until 2005 Annual Meeting

M. Fazle Husain, 39, was elected to our board in April 1998. Mr. Husain is a Managing Director of Morgan Stanley Dean Witter & Co., an investment banking firm, where he has been employed since 1991, and is a Managing Member of Morgan Stanley Venture Partners III, L.L.C., which is the General Partner of Morgan Stanley Venture Partners III, L.P., Morgan Stanley Venture Investors III, L.P. and The Morgan Stanley Venture Partners Entrepreneur Fund, L.P. Mr. Husain was also employed at Morgan Stanley Dean Witter from 1987 until 1989. Mr. Husain focuses primarily on investments in the healthcare and software industries. He serves on the boards of directors of Cross Country, Inc., The Medicines Company, HealthStream, Inc. and several private medical and software companies.

Richard E. Tarrant, 60, became Vice Chairman of our board upon the consummation of the Channelhealth merger transaction in January 2001. Mr. Tarrant has been designated to be on our board by IDX Systems Corporation, a publicly traded company supplying information systems to healthcare organizations, pursuant to the terms of a Stock Rights and Restrictions Agreement entered into between Allscripts and IDX in connection with the Channelhealth merger transaction, which is described in detail under "Certain Relationships and Related Party Transactions" later in this proxy statement. Mr. Tarrant co-founded IDX in 1969 and has served as Chairman of the Board since January 2003. He served as a director and as the Chief Executive Officer of IDX from the time he founded IDX until January 2003; he was also President of IDX from 1969 to February 1999. Mr. Tarrant also served as the Chairman of the board of directors of Channelhealth Incorporated from October 1999 until consummation of the Channelhealth merger transaction in January 2001. Mr. Tarrant has served as a Trustee of The University of Vermont and Saint Michael's College, as a member of the Board of Trustees for University Health Center (Vermont), an academic medical center, from July 1988 to December 1994, as Chairman of the Board of Trustees of University Health Center (Vermont) from 1992 to 1994 and as Chairman of Fletcher Allen Health Care, an integrated healthcare delivery system serving Vermont and northern New York State, from 1992 to 1994. Mr. Tarrant presently serves as a director of Fletcher Allen Health Care and is a member of the Vermont Business Roundtable.

Glen E. Tullman, 43, became the Chairman of our Board in May 1999 and our Chief Executive Officer in August 1997, and was our President from December 2001 through April 2002. From October 1994 to July 1997, Mr. Tullman was Chief Executive Officer of Enterprise Systems, Inc., a publicly traded healthcare information services company providing resource management solutions to large integrated healthcare networks. From 1983 to 1994, Mr. Tullman was employed by CCC

Information Services Group, Inc., a computer software company servicing the insurance industry, most recently as President and Chief Operating Officer.

Meetings and Committees of the Board of Directors

During 2002, our board of directors met seven times. In addition to meetings of the full board, directors attended meetings of the board committees. Allscripts has standing audit, compensation and nominating committees. In 2002, each director, other than Richard E. Tarrant, attended at least 75% of the meetings of the board and of the committees on which he served that were held during the period for which he was a director.

The audit committee recommends the independent auditors to the board and oversees the accounting and audit functions of the company. M. Fazle Husain, Michael J. Kluger and Edward M. Philip serve on the audit committee. Mr. Philip serves as the chairman of the audit committee and is not standing for reelection at this Annual Meeting. We expect that Mr. Goldstein will replace Mr. Philip on the audit committee and Mr. Kluger will become the chairman of the audit committee. The committee has adopted a charter, a copy of which is included as Appendix A to this proxy statement, which specifies the composition and responsibilities of the committee. Additional information on the committee and its activities is set forth in the "Report of the Audit Committee". During 2002, the committee met four times.

The compensation committee determines executive officers' salaries, bonuses and other compensation and administers our Amended and Restated 1993 Stock Incentive Plan and our 2001 Nonstatutory Stock Option Plan. Philip D. Green, M. Fazle Husain and Michael J. Kluger serve on the compensation committee. During 2002, the committee met three times.

The nominating committee, formed in June 2002, makes recommendations to the board regarding the nomination of directors, officers and board committee members. Philip D. Green, Bernard Goldstein and Edward M. Philip serve on the nominating committee. During 2002, the nominating committee did not meet.

Director Compensation

Directors receive no cash compensation for their services as directors. We reimburse our directors for their travel expenses. Under our Amended and Restated 1993 Stock Incentive Plan, directors who are not Allscripts employees are eligible to receive stock option grants at the discretion of the board of directors or the compensation committee.

Ownership of Allscripts Common Stock

The following table shows how much Allscripts common stock was beneficially owned as of March 31, 2003 by:

- our Chief Executive Officer and the five other most highly compensated executive officers based on compensation earned during 2002;
- each director;
- all directors and executive officers as a group; and
- each stockholder that we know to own beneficially more than 5% of Allscripts common stock based on information filed with the Securities and Exchange Commission.

Beneficial ownership is a technical term broadly defined by the Securities and Exchange Commission to mean

more than ownership in the usual sense. In general, beneficial ownership includes any shares that the holder can vote or transfer and stock options and warrants that are exercisable currently or become exercisable within 60 days. These shares are considered to be outstanding for the purpose of calculating the percentage of outstanding Allscripts common stock owned by a particular stockholder, but are not considered to be outstanding for the purpose of calculating the percentage ownership of any other person. Percentage of ownership is based on 38,440,520 shares outstanding as of March 31, 2003. Except as otherwise noted, the stockholders named in this table have sole voting and dispositive power for all shares shown as beneficially owned by them.

the Amended and Restated 1993 Stock Incentive Plan and vest equally over three years on the anniversaries of the grant. The potential realizable value is calculated based on the term of the option at its time of grant, 10 years. The calculation assumes that the fair market value on the date of grant appreciates at the indicated rate compounded annually for the entire term of the option and that the option is exercised at the exercise price and sold on the last day of its term at the appreciated price. Stock price appreciation of 5% and 10% is assumed pursuant to the rules of the Securities and Exchange Commission. The actual price appreciation may be substantially greater than that assumed under these rules. We cannot assure you that the actual stock price will appreciate over the 10-year option term at the assumed levels or at any other defined level.

Option Exercises in 2002 and 2002 Year-End Option Values

This table provides information regarding the exercise of options during 2002 by the executive officers listed in the Summary Compensation Table. The value realized is calculated using the difference between the option exercise price and the price of Allscripts common stock on the date of exercise multiplied by the number of shares subject to the option. The value of unexercised in-the-money options at year end 2002 is calculated using the difference between the option exercise price and \$2.39 (the last reported market price of Allscripts common stock on the last trading day of the year) multiplied by the number of shares underlying the option. An option is in-the-money

11

if the market value of the common stock subject to the option is greater than the exercise price.

Employment Agreements

We entered into employment agreements with Messrs. Tullman, Shapiro, Carey and Leisher effective July 8, 2002. Each agreement has an initial term that ends July 8, 2005 and renews for consecutive one-year terms unless either party gives 180 days' notice prior to the expiration of any term. Under the agreements, Mr. Tullman is to be paid an annual base salary of \$250,000 (subject to annual review and increase by the board of directors), and Messrs. Shapiro, Carey and Leisher are each to be paid an annual base salary of \$225,000 (subject in each case to annual review and increase by the board of directors). Messrs. Tullman, Carey and Leisher are each entitled to an annual bonus as determined by the board of directors or the compensation committee in their sole discretion, but in no event will the bonus be less than \$75,000. Mr. Shapiro is entitled to a guaranteed annual bonus equal to at least the greater of 25% of Mr. Shapiro's then current annual base salary or \$75,000. If we terminate Messrs. Tullman, Shapiro, Carey or Leisher without Cause or if any of them terminates his employment for Constructive Discharge, as each of those terms is defined in the agreements, he will be entitled to two years' base salary as well as any salary that was accrued but not yet paid as of the termination date, the unpaid performance bonus, if any, for the calendar year preceding the termination date and any performance bonus for the calendar year in which the termination date occurs (as determined and payable had there been no termination), continuation of health benefits for a period of 24 months following the termination date, outplacement services of up to \$10,000 and acceleration of all stock option or other stock awards granted after the date of the agreements. Notwithstanding the above, if during the one-year period immediately following a Change in Control, as defined in the agreements, Messrs. Tullman, Shapiro, Carey or Leisher terminates his employment

12

for any reason, he will be entitled, instead of the salary and bonus payments described in the previous sentence, to a payment in a lump sum equal to 2.99 times his then in effect base salary and 2.99 times the minimum performance

bonus amount of \$75,000. In the event that any payment by us to Messrs. Tullman, Shapiro, Carey or Leisher would be subject to the excise tax imposed by Section 4999 of the Internal Revenue Code, we have agreed to pay such executive an amount, net of taxes, equal to such excise tax amount. The agreements also provide that each of Messrs. Tullman, Shapiro, Carey or Leisher will not compete with us during the term of his employment and (other than in the case of a termination by us without Cause or a termination of such executive for Constructive Discharge) for one year thereafter.

We have entered into stock option agreements with Messrs. Tullman, Shapiro, Carey and Leisher (including options referred to in the previous paragraph) pursuant to which, in the event of a Change in Control, as defined in the stock option agreements and the employment agreements, vesting of the options will accelerate so that the unvested portion of the options will vest immediately. Under these option agreements, Messrs. Tullman, Shapiro, Carey and Leisher had unvested options as of March 31, 2003 as follows: Mr. Tullman, 287,227 shares; Mr. Shapiro, 218,999 shares; Mr. Carey, 168,749 shares; and Mr. Leisher, 163,749 shares.

In connection with Mr. Mullen's resignation as our Chief Financial Officer and a member of our board of directors, we entered into a separation agreement with Mr. Mullen effective as of September 13, 2002. Under the agreement, we agreed to pay Mr. Mullen severance pay at an annual rate of \$235,000 for a period of 20 months from his termination date, irrespective of any subsequent employment he may obtain. Mr. Mullen is also entitled to continue to participate in our medical, health and life insurance plans until the earlier of May 13, 2004 or the date he receives coverage and benefits under the plans of a subsequent employer. The agreement also provides that Mr. Mullen will not compete with us for one year after his termination.

Compensation Committee Interlocks and Insider Participation

The members of the compensation committee of our board of directors are Messrs. Green, Husain and Kluger. None of these persons has ever been an officer or employee of Allscripts or any of its subsidiaries. We refer you to the information under "Certain Relationships and Related Party Transactions" for a discussion of insider participation.

Equity Compensation Plan Information

The following table provides information as of December 31, 2002 about Allscripts common stock that may be issued upon the exercise of options and rights under all of our existing equity compensation plans, including our Amended and Restated 1993 Stock Incentive Plan and our 2001 Nonstatutory Stock Option Plan.

Stockholders did not approve the Nonstatutory Stock Option Plan, which is described below.

(1) Excludes 405,236 shares subject to options outstanding pursuant to the Channelhealth Incorporated 1999 Stock Option Plan, which we assumed in connection with our 2001 acquisition of Channelhealth. These options have a weighted-average exercise price of \$30.03 per share.

2001 Nonstatutory Stock Option Plan

The board originally adopted the Plan on January 31, 2001. The Plan was not approved by our stockholders. The Plan has been amended from time to time since its initial adoption. The Plan will terminate on January 31, 2011. Currently, the board of directors may amend or terminate the Plan at any time without stockholder approval. Under the Plan, the compensation committee may grant stock options to key individuals performing services for us, including employees (other than officers or directors), consultants and independent contractors.

We presently have 3,000,000 shares of common stock reserved for issuance under the Plan. The number of shares underlying awards made to any one participant in a calendar year may not exceed 1,000,000 shares. The number of shares that can be issued and the number of shares subject to outstanding options may be adjusted in the event of a stock split, stock dividend, recapitalization or other similar event affecting the number of shares of our outstanding common stock.

The compensation committee administers the Plan. Subject to the specific provisions of the Plan, the committee determines award eligibility, timing and the amount and terms of the options. The committee also interprets the Plan, establishes rules and regulations under the Plan and makes all other determinations necessary or advisable for the Plan's administration. Options under the Plan must be nonqualified stock options. The compensation committee may specify any period of time following the date of grant during which options are exercisable, so long as the exercise period is not more than 10 years. Upon exercise, the option holder may pay the exercise price in such form as the compensation committee shall provide. Unless otherwise permitted by the Internal Revenue Code and Rule 16b-3 under the Securities Exchange Act of 1934 and approved in advance by the compensation committee, an

option under the Plan may not be sold, assigned or otherwise transferred during its holder's lifetime.

Compensation Committee Report on Executive Officers' Compensation

The compensation committee of the board of directors is composed of three independent non-employee directors, Philip D. Green, M. Fazle Husain and Michael J. Kluger. The committee determines executive officers' salaries, bonuses and other compensation and administers our Amended and Restated 1993 Stock Incentive Plan and our 2001 Nonstatutory Stock Option Plan.

Compensation Policies Applicable to Executive Officers

The overall compensation program for salaried employees has been designed and is administered to ensure that employee compensation promotes superior job performance and the achievement of business objectives. The main policy objective of executive officer compensation is the maximization of stockholder value over the long term. The compensation committee believes that this can best be accomplished by an executive compensation program that reflects the following three principles:

First, base salaries should be sufficient to attract and retain qualified management talent, without exceeding competitive practice at similar companies in the information technology market.

Second, annual bonus and incentive programs should provide opportunity for significant increases in compensation, based on meeting or exceeding pre-determined company and individual performance targets.

Third, a substantial portion of total long-term compensation should reflect performance on behalf of the company's stockholders, as measured by increases in the value of the company's stock.

In the judgment of the compensation committee, the performance of Allscripts in 2002 confirms that the compensation program is achieving its main objectives.

Base Salary

All of the executive officers but John G. Cull have employment agreements that set their base compensation. The Chief Executive Officer sets the compensation for Messrs. Leisher, Cull and Crane. Messrs. Tullman, Carey and Shapiro voluntarily reduced their annual base salaries to \$250,000, \$225,000 and \$220,000, respectively, effective January 1, 2002, and Mr. Shapiro's annual base salary was subsequently increased to \$225,000, effective July 8, 2002, pursuant to his employment agreement.

Annual Bonus

Executive officers and certain other key personnel are eligible for cash bonuses after the end of each fiscal year. The bonus program has not been formalized in writing. The board of directors or the compensation committee determines the bonus for the Chief Executive Officer. The Chief Executive Officer's bonus is based on the overall performance and financial results of the company, including the company's achievement of goals pertaining to revenue growth, cost reductions, improved operating methods, acquisitions and accounting controls. These factors are weighted and then the company's fulfillment of these goals is evaluated. Bonuses for other executive officers are recommended by the Chief Executive Officer and then submitted to the committee for its approval. In making recommendations, the Chief Executive Officer determines how each executive officer contributed to Allscripts' achievement of its goals.

Stock Incentives

Under the Amended and Restated 1993 Stock Incentive Plan, stock options and stock appreciation rights may be granted to executive officers. Executives generally receive stock incentives through initial grants at the time of hire and periodic additional grants. The compensation committee determines the number of stock incentives to be granted based on an officer's job responsibilities and individual performance evaluation. This approach is designed to encourage the creation of long-term stockholder value as the committee believes that the significant equity interests in the company held by management helps to align the interests of stockholders and management and maximize stockholder returns over the long term. Each of the executive officers named in the Summary Compensation Table received new grants of stock incentives during 2002 as set forth therein.

Compensation of the Chairman and Chief Executive Officer

The overall compensation package of the Chief Executive Officer is designed to recognize that the Chief Executive Officer bears primary responsibility for increasing the value of stockholders' investments. The Chief Executive Officer's base compensation is set at \$250,000 by his employment agreement, dated July 8, 2002. As noted above, Mr. Tullman voluntarily reduced his annual base salary to \$250,000, effective January 1, 2002. He received a cash bonus of \$53,450 for 2002, reflecting Allscripts' achievement of some of its performance goals.

The compensation committee is directly responsible for determining all awards and grants to the Chief Executive Officer under the incentive components of the compensation program. The committee intends that a substantial portion of the Chief Executive Officer's compensation be incentive-based, providing greater compensation as direct and indirect financial measures of stockholder value increase. The Chief Executive Officer's compensation will thus be structured and administered to motivate

and reward the successful achievement of these objectives. In 2002, Mr. Tullman received options for a total of 215,000 shares.

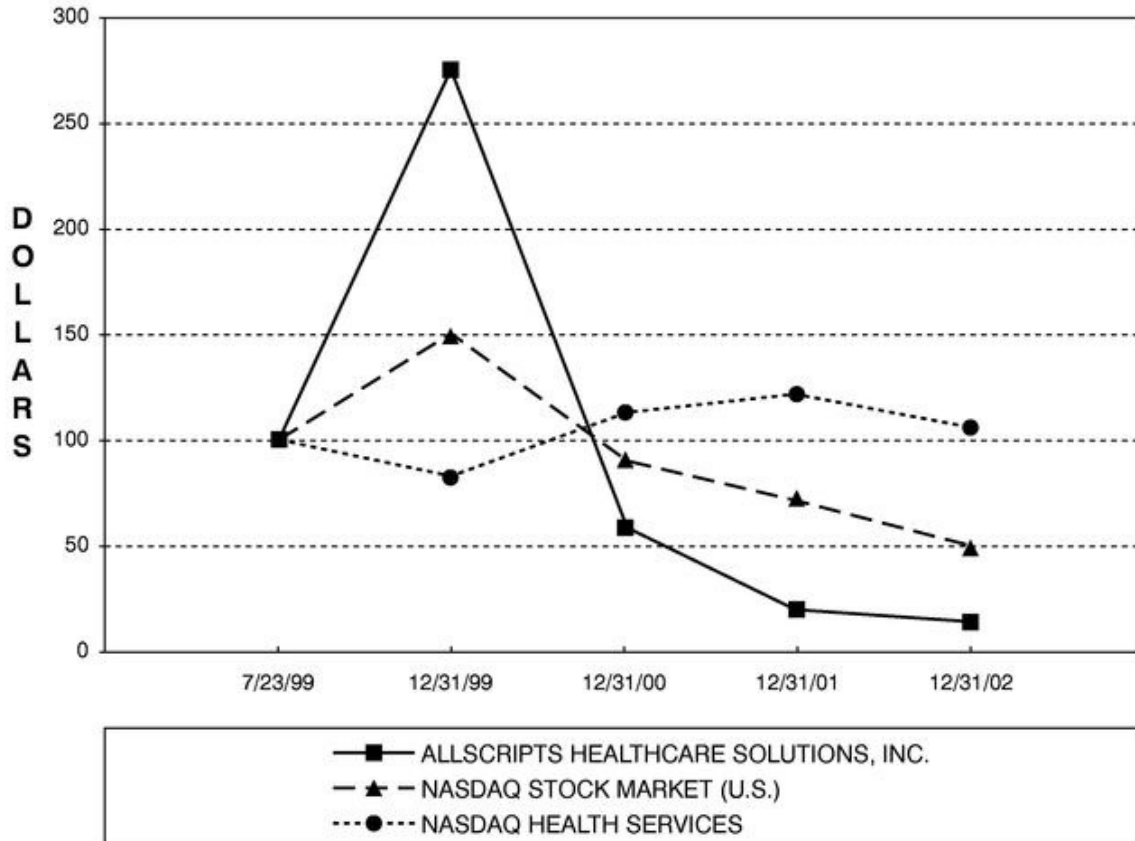

The committee intends for the Chief Executive Officer's compensation to relate directly to the overall performance of the company as measured by financial criteria. In addition, the Chief Executive Officer's compensation reflects achievements such as the continued strong performance of the senior management team and the successful negotiation of strategic alliances.

Deductibility of Compensation

Under Internal Revenue Code Section 162(m), a company generally may not deduct compensation in excess of \$1,000,000 paid to the Chief Executive Officer and the other four most highly compensated officers. Certain "performance based compensation" is not included in compensation for purposes of the limit. The committee believes that the current structure of Allscripts' executive compensation does not give rise to Section 162(m) concerns. The compensation committee will continue to assess the impact of Section 162(m) on its compensation practices.

Registration Rights Agreement

Liberty Partners Holdings 6, L.L.C., Morgan Stanley Venture Investors III, L.P., Morgan Stanley Venture Partners III, L.P. and The Morgan Stanley Venture Partners Entrepreneur Fund, L.P., which as of March 31, 2003 collectively held approximately 4,712,516 shares of common stock, are entitled to registration rights with respect to these shares. Under a registration rights agreement, these Morgan Stanley entities, collectively, on the one hand, and Liberty Partners Holdings 6, L.L.C., on the other hand, are each entitled to require us to register their shares of common stock three times, but not more than once in any six-month period. As of the date hereof, the Morgan Stanley entities, collectively, on the one hand, and Liberty Partners, on the other hand, had each exercised their right to require us to register their shares of common stock one time. In addition, if we propose or are required to register any of our common stock, either for our own account or for the account of other of our stockholders, we are required to notify the holders described above and, subject to certain limitations, to include in that registration all of the common stock requested to be included by those holders. We are obligated to bear the expenses, other than underwriting commissions, of all incidental registrations.

Stock Rights and Restrictions Agreement

In connection with the Channelhealth merger transaction, we entered into a stock rights and restrictions agreement with IDX Systems Corporation, which is a significant stockholder of Allscripts, and of which Richard E. Tarrant, our Vice Chairman, is Chairman of the Board.

Allscripts Board of Directors

Until the earlier of (1) termination of the stock rights and restrictions agreement or (2) the date that IDX and its affiliates beneficially own fewer than 25% of the Allscripts common shares issued to IDX upon completion of the Channelhealth merger, IDX is entitled to designate an individual to our board of directors. The initial IDX designee to our board was Mr. Tarrant. In addition, so long as (1) the IDX designee is Mr. Tarrant and (2) IDX and its affiliates beneficially own greater than 75% of the Allscripts common shares issued to IDX upon completion of the Channelhealth merger, Mr. Tarrant will be the sole Vice Chairman of our board, which is a non-executive position.

Limitation on Business Combination Transactions

During the term of the stock rights and restrictions agreement, each of IDX and Allscripts has agreed not to engage in or propose any transaction referred to in the agreement as a "business combination", which means a merger, consolidation, "business combination" as defined in Section 203 of the Delaware General Corporation Law as currently in effect, compulsory share exchange or other transaction involving the other and pursuant to which the other party's voting securities are exchanged for cash, securities or other property, or any sale of all or substantially all of the assets or liquidation of the other party, including by means of a tender or exchange offer, or request or solicit any other person to engage in or propose a business combination, unless the transaction is approved by a majority of the other party's continuing directors, as defined in the agreement, or the party engaging in or proposing the transaction beneficially owns less than 5% of the other party's voting securities and has no representative on the other party's board of directors.

Limitation on Acquisition and Disposition of Voting Securities

Without the consent of a majority of the other party's continuing directors, neither party may acquire any additional voting securities of the other, except under certain limited circumstances. In addition, the stock rights and restrictions agreement imposes certain limitations on IDX's ability to transfer beneficial ownership of its Allscripts voting securities. The stock rights and restrictions agreement also provides that if during the period from the third anniversary through the fourth anniversary of the agreement, we propose to file a registration statement under the Securities Act with respect to a primary firm commitment underwritten public offering of Allscripts common stock, IDX will have the right to "piggyback" on the offering by notifying us that IDX wants to include some or all of its Allscripts shares in the registration, subject to customary "cutback" provisions. We will pay all of the expenses of the piggyback registration, except underwriting discounts and commissions on shares sold by IDX, fees of IDX's counsel and any transfer taxes applicable to the sale of the IDX shares.

Voting of Allscripts Shares Held by IDX

Generally the stock rights and restrictions agreement permits IDX to vote in its complete discretion on all matters voted on by Allscripts stockholders. Notwithstanding the foregoing, on certain matters IDX generally must vote all of its Allscripts shares in accordance with the recommendation of the Allscripts continuing directors; provided that, except in limited circumstances related to IDX's breach of its obligations to Allscripts, IDX is not required to vote its Allscripts shares in accordance with the recommendation if the average closing price of Allscripts stock

20

during the 90 trading days preceding the vote is less than \$14.5625. These matters are those that:

- constitute a business combination involving Allscripts;
- involve the acquisition by any person other than IDX or its affiliates of beneficial ownership of greater than 50% of the then outstanding Allscripts voting securities;
- involve the issuance by Allscripts of its own securities for cash; or
- involve any acquisition by Allscripts, whether through merger, share exchange, purchase of assets or otherwise.

IDX's Right to Participate in Securities Issuances by Allscripts

If at any time during the term of the stock rights and restrictions agreement we plan to issue Allscripts voting securities, or securities exercisable, exchangeable for or convertible into Allscripts voting securities and, as a result, IDX's beneficial ownership of all outstanding Allscripts voting securities would be reduced to below 2% after giving effect to the proposed transaction, then we must offer to sell to IDX a number or amount of the securities proposed to be issued that, if purchased by IDX, would permit IDX and its affiliates to beneficially own a number of Allscripts voting securities determined by dividing the aggregate number of outstanding Allscripts common shares then beneficially owned by IDX by the total number of Allscripts common shares then outstanding.

Termination

The stock rights and restrictions agreement will terminate by its terms in January 2011, but it may be terminated earlier as follows:

- by mutual written consent of IDX and us; or
- by IDX if we file for bankruptcy, or another person commences a bankruptcy proceeding against us and the proceeding is not dismissed or stayed within 60 days, or if an order for relief under a bankruptcy law is entered against Allscripts.

Strategic Alliance Agreement

Upon completion of the Channelhealth merger transaction, we entered into a strategic alliance agreement with IDX.

Marketing of Channelhealth Products

The strategic alliance agreement provides for a ten-year strategic alliance under which Allscripts and IDX will cooperate to develop and market Channelhealth products pursuant to a development plan to be updated at least quarterly during the term of the alliance. Each of Allscripts and IDX are required to develop connectivity

21

between their respective products to facilitate data exchange and ease of use. The parties are required to compensate and motivate their sales forces to sell our products to IDX customers and prospects.

Marketing Restrictions

During the term of the alliance, each party, subject to certain exceptions, is prohibited from entering into any relationship or arrangement with direct competitors of the other party to develop or provide competitive products other than those currently marketed by such party. Either party may terminate the marketing restrictions to which it is subject upon the occurrence of a material adverse change in the business, properties, results of operations or condition (financial or otherwise) of the other party (other than changes that are the result of economic factors affecting the economy as a whole or changes that are the result of factors generally affecting the specific industry or markets in which the party competes).

Compensation

Allscripts and IDX are entitled to agreed upon revenue sharing for sales of each other's products. In 2002, we paid IDX \$894,317 pursuant to this obligation. In addition, we lease office space from IDX, and in 2002 we paid IDX \$514,114 for the lease of the office space and use of the facility's infrastructure. During 2002, IDX paid us \$125,000 to satisfy a guarantee pursuant to the Channelhealth acquisition agreement and \$676,349 related to marketing sponsorships, referral fees and miscellaneous reimbursements.

Change of Control

If during the term of the alliance, a change of control occurs with respect to either party with a direct competitor of the other party, the party undergoing the change of control will be subject to certain revenue sharing obligations with the other party and, upon the termination of the Strategic Alliance Agreement, must deliver all source code for Allscripts products to the other party.

Termination of Alliance

Either party may terminate the alliance in the event the other party becomes insolvent or if the other party has defaulted under or breached any material term of the strategic alliance agreement and has not cured the default or breach within 120 days after it occurs.

Amended and Restated Cross License and Software Maintenance Agreement

In connection with the Channelhealth merger transaction, Channelhealth and IDX entered into an amended and restated cross license and software maintenance agreement.

Cross License

The amended and restated cross license and software maintenance agreement provides for, in the case of IDX, the granting of a perpetual, non-exclusive, non-cancelable and non-terminable, fully paid-up license to Channelhealth permitting Channelhealth to copy, use, display, perform, adopt, modify and maintain certain IDX software applications and related intellectual property rights, and create derivative works with regard to the software, for the purpose of merging IDX software with Allscripts' products and to market and sublicense IDX software in connection with the marketing of those products and, in the case of Channelhealth, the granting of a perpetual, non-exclusive, non-cancelable and non-terminable, fully paid-up license to IDX permitting IDX to copy, use, display, perform, market, sublicense, transmit, create and own derivative works and to distribute certain Channelhealth software applications and related intellectual property rights in connection with IDX's "Patient Channel" business.

Termination

In the event that the strategic alliance agreement between Allscripts and IDX is terminated or not renewed, the license granted by IDX to Channelhealth will terminate with respect to certain IDX technologies developed by IDX and incorporated by IDX into IDX software, except as used by Channelhealth to create or maintain compatibility or connectivity between Allscripts products and IDX products.

Certain Business Relationships

In 2002, we retained the law firm of Akin, Gump, Strauss, Hauer & Feld, L.L.P., of which Philip D. Green, one of our directors, is currently a partner. In 2002, we paid Akin, Gump fees of \$13,867.

Audit Committee Report

The audit committee is comprised of three directors who are not officers of Allscripts. Each of the members is independent, as defined in the National Association of Securities Dealers' listing standards. The committee operates under a written charter adopted by the board, a copy of which is included as Appendix A to this proxy statement.

Management is responsible for Allscripts' financial reporting process including its system of internal control, and for the preparation of consolidated financial statements in accordance with accounting principles generally accepted in the United States of America. Allscripts' independent public accountants, recommended by the audit committee and approved by the board, are responsible for auditing those financial statements.

23

The audit committee of Allscripts held four meetings during 2002. The meetings were designed to facilitate and encourage private communications between the committee and Allscripts' independent public accountants, KPMG LLP.

During these meetings, the committee reviewed and discussed the unaudited quarterly and audited annual financial statements with management and KPMG. The committee believes that management maintains an effective system of internal controls that results in fairly presented financial statements. Based on these discussions, the committee recommended to the board that the audited financial statements be included in Allscripts' Annual Report on Form 10-K for the fiscal year ended December 31, 2002 filed with the Securities and Exchange Commission.

The discussions with Allscripts' independent accountants also included the matters required by Statement on Auditing Standards No. 61 (Communications with Audit Committees). The committee received from the independent accountants written disclosures and the letter regarding its independence required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), and the committee discussed with the independent accountants that firm's independence. The committee has recommended the retention of KPMG as Allscripts' independent accountants for fiscal year 2003.

Audit Committee

Edward M. Philip, Chairman
M. Fazle Husain
Michael J. Kluger

Independent Public Accountants

KPMG LLP has been our independent accountants since December 2000. At the recommendation of the audit committee, the board has engaged KPMG as Allscripts' independent accountants for 2003.

Representatives of KPMG will be present at the Annual Meeting. They will have the opportunity to make a statement if they so desire and to respond to appropriate questions.

Audit Fees

KPMG billed us \$216,285 for professional services in connection with the audit of the annual financial statements included in the Annual Report on Form 10-K for the year ended December 31, 2002 and the reviews of the financial statements included in our Forms 10-Q for 2002.

24

All Other Fees

KPMG billed us \$131,255 for other services in 2002, including approximately \$100,500 for tax compliance and preparation services and \$17,500 for audit services related to our Retirement Savings Plan. The audit committee has determined that the provision of non-audit services by KPMG is not incompatible with maintaining auditor independence.

Although we are not required to do so, we believe that it is appropriate to request that stockholders ratify the

appointment of KPMG LLP. If stockholders do not ratify the appointment, the audit committee will investigate the reasons for the stockholders' rejection and the Board of Directors will reconsider the appointment.

The Board of Directors unanimously recommends a vote FOR ratification of the appointment of KPMG LLP as our independent accountants for 2003.

Following is certain information about the executive officers of Allscripts, based on information furnished by them.
